DIRECTORS' REPORT
(Continued)

Statement of directors' responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the Company and of the surplus or deficit of the Company for that period. In preparing those financial statements, the Directors are required to:

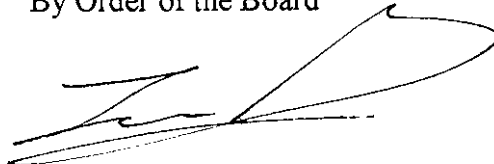

select suitable accounting policies and then apply them consistently;

make judgements and estimates that are reasonable and prudent;

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
