Notes to the Abbreviated Accounts for the period ended 28 February 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT.

Tangible assets depreciation policy

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates alculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Leasehold Straight line over the term of the lease

Plant and machinery 25% Reducing balance

Fixtures, fittings & equipment 25% Reducing balance

Computer equipment 33.33% Straight line

Other accounting policies**Research and development**

Research expenditure is written off to the profit and loss account in the year in which it is incurred.

Development expenditure is written off in the same way unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period during which the company is expected to benefit.

Stock

Stock is valued at the lower of cost and net realisable value.

Revenue recognition

Revenue is recognised as completed orders are shipped to customers.

Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.
