4. PROGRESS SINCE APPOINTMENT

Attached at Appendix 1 is our abstract of receipts and payments for the period from 21 February 2012 to 10 October 2014

SECURED ASSETS

Book Debts

The company's sales ledger reflected outstanding book debts totalling £150,956 which were subject to an invoice finance agreement with HSBC Invoice Finance. After taking a provision of 50% for bad debts, it was estimated that the sum of £75,478 would be realised. Inclusive of termination fees, the sum of £78,021 is outstanding to HSBC Invoice Finance and it was therefore estimated that there would be a shortfall to HSBC Invoice Finance. However realisations have exceeded the estimated figure and the sum of £2,695.47 has been made available for the liquidation.

DISTRAINT ASSETS

Motor Vehicles / Landlord

A motor vehicle with a book value in the sum of £8,931 was held by the company's landlord as the landlord had indicated that they would have a claim for dilapidations totalling £20,640. The director advised that the vehicle had covered over 200,000 miles and may be worth approximately £500. As a result it was deemed uneconomical to attempt to recover the vehicle.

ASSET REALISATIONS

Book Debts

The balance of company's sales ledger was assigned back to the company and we instructed a collection agent to pursue the balance of the ledger. The sum of £8,888.15 has been collected and no further realisations are expected.

Cash at Bank

The Company's bank account as at the date of liquidation held the sum of £7.49. Due to bank charges no realisations have occurred.

Rates Refund

A rates refund has been received from Basildon Council totalling £33.09.

Bank Interest Gross

Gross interest totalling £1.78 has been received on funds held in the liquidation account.

COSTS OF REALISATIONS

Agents Fees / Legal Fees

The sum of £910.85 and £150.00 has been paid to Pulse Credit Solutions Ltd in relation to the collection of the outstanding book debts.

Pension Costs

The sum of £178.84 has been paid to AFTS Ltd in relation to advice on the company's pension scheme.

Storage Costs

We can advise that the sum of £388 75 has been paid to Archive Facilities (Southend) Limited for the storage of the company's books and records. Archive Facilities (Southend) Limited is associated to partners of Begbies Traynor (Central) LLP and therefore classed as a Category 2 disbursement which requires approval from the creditors of the company. We can advise that approval was sought at the Section 98 meeting and obtained.

Bank Charges

During the liquidation period, the liquidation account(s) have incurred bank charges of £16 90.

5. OUTCOME FOR CREDITORS

Due to the lack of realisable assets a dividend will not be declared to any class of creditor.

6. REMUNERATION & DISBURSEMENTS

Begbies Traynor (Central) LLP's professional fees for assisting the Company and its directors in fulfilling the statutory requirements for placing the Company into creditors voluntary liquidation was fixed at £7,500 plus VAT and disbursements. The sum of £1,883 47 plus VAT in this regard was paid by the company with the remaining £5,616 53 plus VAT paid personally by the director. All sums were paid prior to our appointment.

Our remuneration has been fixed by a resolution of creditors at the meeting held pursuant to Section 98 of the Act by reference to the time properly given by us (as liquidators) and the various grades of our staff calculated at the prevailing hourly charge-out rates of Begbies Traynor (Central) LLP in attending to matters arising in the liquidation and we are authorised to draw disbursements, including disbursements for services provided by our firm (defined as category 2 disbursements in Statement of Insolvency Practice 9) in accordance with our firm's policy, details of which accompanied the Statement of Affairs and other information presented to the meeting of creditors convened pursuant to Section 98 of the Act and which is attached at Appendix 2 of this report.

Our time costs for the period from 21 February 2012 to 4 August 2014 amount to £23,435 00 which represents 103 4 hours at an average rate of £226 64 per hour. We have drawn the sum of £9,178 00 towards our firm's outstanding fees and the balance has been written off as irrecoverable.

7. LIQUIDATORS' EXPENSES

A statement of the expenses incurred is attached at Appendix 3. We have drawn disbursements totalling £795 15.

8. OTHER RELEVANT INFORMATION

Investigations and reporting on directors conduct

You may be aware that a liquidator has a duty to enquire into the affairs of an insolvent company to determine its property and liabilities and to identify any actions which could lead to the recovery of funds. In addition, as explained in the report circulated at the meeting of creditors convened pursuant to Section 98 of the Act, such report having also been sent to creditors following the meeting, a liquidator is also required to consider the

conduct of the Company's directors and to make an appropriate submission to the Department for Business Innovation and Skills. We can confirm that we have discharged our duties in these respects.

9. CONCLUSION

This report and account of receipts and payments will be laid before final meetings of the Company and the creditors to be held on 10 October 2014 in accordance with Section 106 of the Act. Formal notice of the meetings and a proxy form are enclosed with the covering letter accompanying this report.

The meetings are a formal requirement of liquidation procedure and are a prelude to the formal dissolution of the Company, which will occur automatically, approximately three months later. Unless creditors otherwise resolve, pursuant to Section 173(2) of the Act we will be released from liability at the time that we vacate office.

Although the meetings are rarely attended, if any creditor wishes to attend the meeting, it would assist us in making the necessary administrative arrangements if you would inform the case manager by telephone. This is particularly important for any creditor wishing to attend who considers that the proposed venue is inconvenient. In that event we will consider reconvening the meetings at an alternative venue to be agreed. Any such request should be made within the next seven days so that we may inform all creditors of the revised arrangements. Alternatively, if you wish a proxy to attend on your behalf, the proxy form should be returned to our office by 12 noon on the business day before the meeting. Please note that we will not accept receipt of completed proxy forms by email. Submission of proxy forms by email will lead to the proxy being held invalid and the vote not cast.

In accordance with The Insolvency Regulations 1994 Paragraph 16(2), the liquidators may, at any time after the expiration of a period of one year from the date of dissolution, destroy or otherwise dispose of the books, papers and other records of the company.

Should you require further explanation of any matters contained within this report, you should contact our office and speak to the case manager, in the first instance, who will be pleased to assist.

BEGBIES TRAYNOR CHARGING POLICY

INTRODUCTION

This note applies where a licensed insolvency practitioner in the firm is acting as an office holder of an insolvent estate and seeks creditor approval to draw remuneration on the basis of the time properly spent in dealing with the case. It also applies where further information is to be provided to creditors regarding the office holder's fees following the passing of a resolution for the office holder to be remunerated on a time cost basis. Best practice guidance¹ requires that such information should be disclosed to those who are responsible for approving remuneration.

In addition, this note applies where creditor approval is sought to make a separate charge by way of expenses or disbursements to recover the cost of facilities provided by the firm and also where payments are to be made to outside parties in which the office holder or his firm or any associate has an interest. Best practice guidance² requires that such charges should be disclosed to those who are responsible for approving the office holder's remuneration, together with an explanation of how those charges are calculated.

OFFICE HOLDER'S FEES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

The office holder has overall responsibility for the administration of the estate. He/she will delegate tasks to members of staff. Such delegation assists the office holder as it allows him/her to deal with the more complex aspects of the case and ensures that work is being carried out at the appropriate level. There are various levels of staff that are employed by the office holder and these appear below.

The firm operates a time recording system which allows staff working on the case along with the office holder to allocate their time to the case. The time is recorded at the individual's hourly rate in force at that time which is detailed below.

OFFICE HOLDERS' EXPENSES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

Best practice guidance classifies expenses into two broad categories:

- *Category 1 expenses (approval not required)* - specific expenditure that is directly related to the case usually referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- *Category 2 expenses (approval required)* - items of incidental expenditure directly incurred on the case which include an element of shared or allocated cost and which are based on a reasonable method of calculation.

(A) The following items of expenditure are charged to the case (subject to approval)

- Internal meeting room usage for the purpose of statutory meetings of creditors may be charged by some offices and is charged at the rate of £100 (London £150) per meeting. External meeting room usage is charged at cost.
- Car mileage is charged at the rate of 45 pence per mile.
- *Expenses which should be treated as Category 2 disbursements (approval required)* - in addition to the 2 categories referred to above, best practice guidance indicates that where payments are made to outside parties in which the office holder or his firm or any associate has an interest these should be treated as Category 2 disbursements. The

following items of expenditure which relate to services provided by entities within the Begbies Traynor Group are to be charged to the case (subject to approval)

- Storage of books and records (when not rechargeable as a Category 1 expense) is charged by Archive Facilities (Southend) Limited, an associated company. The rates applying as at the date of this report are: Minimum charge of £40 per quarter for up to three boxes, Four to Two Hundred Boxes charged at £11 per quarter per box, over two hundred boxes are charged at half the aforementioned price, (£5.50 per box per quarter). Mileage for collection of books and records is charged at 55p per mile. Provision of cardboard box charged at £2.75 per box. Where Archive Facilities (Southend) Limited are required to physically pack the books and records, there is a minimum charge of 2 hours at £15 per hour per person required, and at £15 per hour for each hour thereafter. All figures stated are net.
- BTG Asset Consulting may be engaged to undertake valuations and/or disposal of assets. BTG Asset Consulting is a part of Begbies Traynor Group plc and is therefore an associated company. Their charges are based on 15% of realisations or time costs at a Partner rate of £125 per hour and Manager rate of £100 per hour. A separate charge will be levied for any valuations to be provided at a fixed fee of £500 + VAT. Disbursements are charged at cost and mileage is recovered at 40p per mile. All figures stated are net of VAT.
- (B) The following items of expenditure will normally be treated as general office overheads and will not be charged to the case although a charge may be made where the precise cost to the case can be determined because the item satisfies the test of a Category 1 expense:
 - Telephone and facsimile
 - Printing and photocopying
 - Stationery

BEGBIES TRAYNOR CHARGE-OUT RATES

Begbies Traynor is a national firm. The rates charged by the various grades of staff that may work on a case are set nationally, but vary to suit local market conditions. The rates applying to the Southend-on-Sea office are as follows:
