The company has been dormant as defined in section 1169 of the Companies Act 2006 [section 249AA of the Companies Act 1985] throughout the year and preceding financial period. It is anticipated that the company will remain dormant for the foreseeable future. DIRECTORS	NUMBER OF ORDINARY SHARES

Padraic Coughlan	1	1

There has not been any contract or arrangement with the company during the year in which a director of the company was materially interested and which was significant in relation to the company's business.

4 GOING CONCERN

The directors have satisfied themselves that the company is a going concern, having adequate resources to continue in operational existence for the foreseeable future despite the continuing difficult economic conditions. In forming this view, the directors made enquiries into the financial position and resources available to the company including those provided by other group companies. For this reason, the directors continue to adopt the going concern basis in preparing the financial statements.

DIRECTORS' REPORT (CONTINUED)

5 STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
