Directors' responsibilities

Accounts, including adoption of going concern basis

The directors are responsible for preparing the annual report and accounts in accordance with applicable United Kingdom law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. After making enquiries, and as explained more fully in note 1, the directors have a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the accounts.

In preparing the accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and Accounting Standards (United Kingdom Generally Accepted Accounting Practice) as set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Notes to the accounts

31 December 2005

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding year.

a) Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards.

At 31 December 2005 the company had net current liabilities amounting to £2,973,222. The company is dependent, in the absence of other funding, on the continued support of the ultimate parent company, The Corporate Services Group PLC. The ultimate parent company has confirmed that it will continue to support the company for a period of at least twelve months from the date the accounts are signed. On this basis, the directors consider it appropriate to prepare the accounts on the going concern basis. The accounts do not include any adjustments that might be necessary if The Corporate Services Group PLC were not to provide further support.

b) Investments

Fixed asset investments are stated at cost. Provision is made against the carrying value of investments where there is an impairment in value.

c) Taxation

Current tax is recognised at the amounts estimated to be payable or recoverable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are recognised, subject to certain exceptions, in respect of all material timing differences between the recognition of gains and losses in the accounts and for tax purposes. Those timing differences recognised may include accelerated capital allowances, unrelieved tax losses and short term timing differences. Timing differences not recognised include those relating to the revaluation of fixed assets in the absence of a commitment to sell the revalued assets and the gain on sale of assets rolled over into replacement assets in the absence of a commitment to sell the replacement assets.

Deferred tax assets are recognised to the extent that they are regarded as recoverable. They are regarded as recoverable to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is calculated on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

d) Consolidation

The company is exempt under section 228 of the Companies Act 1985 from the requirement to prepare group accounts because it is a wholly owned subsidiary of The Corporate Services Group PLC which prepares consolidated accounts which are publicly available. Accordingly, these accounts are those of the company and not of its group.

Notes to the accounts (continued)

1. Accounting policies (continued)

e) Cashflow statement

The company has not prepared a cashflow statement as it is exempt under the provisions of Financial Reporting Standard No. 1 (revised).

2. Employees

4. Taxation

a) Analysis of tax on profit on ordinary activities

	2005 £	2004 £

b) Factors affecting current and future tax charges

	2005 £	2004 £
Loss on ordinary activities before taxation	-	(138,880)
Profit on ordinary activities multiplied by the standard rate of corporation tax in the UK of 30%	-	(41,664)

Amounts written off investments	-	198,422
Non-taxable dividends received	-	(156,758)

Effect of not receiving payment for group relief at the standard rate of tax	51,600	44,700
Current tax credit	-	-

Notes to the accounts (continued)

4. Taxation (continued)

UK legislation requiring, in broad terms, that cross-border transactions between most connected parties be at an arm's length price for tax purposes (commonly known as 'transfer pricing') has been extended from 1 April 2004 to transactions between UK companies. As a result, this company has become entitled to tax relief on deemed net interest payable that has not been recognised in the accounts.
