14. ACCOUNTING POLICIES
Basis of Accounting

These Financial Statements have been prepared on a going concern basis under the historical cost convention and in accordance with applicable accounting standards. The Company has taken advantage of the exemption in Financial Reporting Standard No. 1 from producing a cash flow statement on the grounds that it is a small company.

Turnover

Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of the assets, less their estimated residual value, over their expected useful lives on the following bases:

Leasehold Premises	- 10% Straight line basis
Equipment, plant and fixtures	- 25% reducing balance basis
Motor vehicles	- 25% reducing balance basis

Stock

Deferred Taxation

Deferred taxation is not provided in these financial statements as the directors consider that in the foreseeable future, no actual liability will arise.

Operating Leases

Rentals applicable to operating leases where substantially all the benefit and risks of ownership remain with the lessor are charged to the profit and loss as incurred.
