# Director's report For the year ended 30 September 1998

The director presents his report and financial statements for the year ended 30 September 1998.

#### Director's responsibilities

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Director

The following director has held office since 1 October 1997:

A B Atwan

#### Director's interests

The director's beneficial interest in the shares of the company was as stated below:

Ordinary shares of £ 1 each 30 September 1998 1 October 1997

A B Atwan

#### Principal activities and review of the business

The principal activity of the company continued to be that of publishing and distributing a daily newspaper.

The results for the year and the financial position at the year end were considered satisfactory by the director who expects that the present level of activity will be sustained for the foreseeable future.

#### Results and dividends

The results for the year are set out on page 4.

The director does not recommend the payment of any dividend.

#### Fixed assets

The significant changes in fixed assets during the year are explained in notes 9 and 10 to the financial statements.

# Director's report For the year ended 30 September 1998

#### Year 2000

The directors are in the process of reviewing the likely impact of the Year 2000 on the company. The directors are unable to quantify the financial impact on the company at this time.

#### **Auditors**

On 1 September 1998 our auditors, Neville Russell, changed their name to Mazars Neville Russell. A resolution to appoint Mazars Neville Russell as auditors will be proposed at the forthcoming annual general meeting.

By order of the board

19th April, 2000

# **Auditors' report**

# To the shareholders of Al-Quds Al-Arabi Publishing & Advertising (Overseas) Limited

We have audited the financial statements on pages 4 to 11 which have been prepared following the accounting policies set out on page 6.

#### Respective responsibilities of the director and auditors

As described on page 1 the company's director is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Fundamental Uncertainty**

In forming our opinion, we have considered the adequacy of the disclosures made in the financial statements concerning the basis of preparation. The financial statements have been prepared on a going concern basis and the validity of this depends on the supporters giving their support by providing adequate loan facilities and making donations. The director has not received any confirmation that such support will be forthcoming. The financial statements do not include any adjustments that would result from a failure to obtain such support. Details of the circumstances relating to this fundamental uncertainty are described in Note 1. Our opinion is not qualified in this respect.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 September 1998 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

# Notes to the financial statements For the year ended 30 September 1998

#### 1 Accounting policies

#### 1.1 Accounting convention

During the year the company incurred a loss of £59,245 and at the balance sheet date its current liabilities exceeded its current assets by £487,256. In addition to its sales and advertising revenue, the company relies on its supporters for financial support. The director has received written assurances that funding will be available for next year at levels at least similar to that received in the year to 30 September 1998.

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the supporters giving their support by providing adequate loan facilities and making donations as outlined above. The director has not received any confirmation that such support will be forthcoming.

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts, to provide for future liabilities that might arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.

Whilst the directors are presently uncertain as to the outcome of the matters mentioned above, they believe that it is appropriate for the financial statements to be prepared on a going concern basis.

#### 1.2 Turnover

Turnover represents the amounts invoiced, excluding value added tax, in respect of the sale of goods and services to customers.

#### 1.3 Goodwill

Goodwill represents the excess of cost of acquisition over the fair value of separable net assets acquired. Goodwill is written off in equal annual instalments over its estimated useful economic life.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment

25%

#### 1.5 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

#### 1.6 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

# Notes to the financial statements For the year ended 30 September 1998

#### 1.7 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

#### 2 Turnover

The turnover, loss before taxation and net liabilities are attributable to the principal activity, the publishing and distribution of a daily newspaper. The company operates in the UK and abroad.
