If any such indication exists, the recoverable amount of an asset is estimated the recoverable amount of the asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

1.4 Leasing and hire purchase contracts

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired under hire purchase contracts are depreciated over their useful lives.
