Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 March 2005.

Business review

The principal activity of the company is property investment. There has been no significant change in the nature of the company's business during the year under review nor is any envisaged in the immediate future.

Results and dividends

The results for the year are set out in the attached profit and loss account and explanatory notes.

The directors recommend payment of a dividend of £97,000 (2004: £130,000).

Properties

A professional valuation of the company's investment portfolio was carried out as at 31 March 2005 by Cardales, Chartered Surveyors and the values have been incorporated in the financial statements.

The revaluation produced a surplus of £10,000 (2004: deficit of £40,000) which has been transferred to the revaluation reserve.

Directors and directors' interests

The directors who held office during the year were as follows:

BSE Freshwater (Chairman)
D Davis

The Articles of Association of the company do not require the directors to retire by rotation.

The directors do not have service contracts nor do they receive any emoluments from the company.

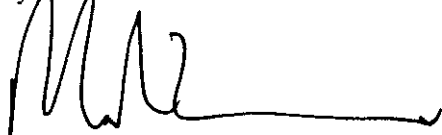

Part of the day to day management of the company's properties is carried out by Highdorn Co Limited and by Freshwater Property Management Limited. Mr BSE Freshwater is a director of both companies and is also interested in the share capital of Highdorn Co Limited. Mr BSE Freshwater and Mr D Davis are directors of the parent company of Freshwater Property Management Limited.

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company. Their interests, and those of their families and family trusts, in the share capital of the ultimate holding company, Daejan Holdings PLC, are set out in the directors' report of that company.

Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution for the re-appointment of KPMG Audit Plc as auditors of the company is to be proposed at the forthcoming Annual General Meeting.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of Daejan (Kingston) Limited

We have audited the financial statements on pages 4 to 12.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Basis of preparation

The financial statements have been prepared on the going concern basis, notwithstanding the company's net current liabilities, which the directors believe to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by Daejan Holdings PLC, the company's ultimate parent undertaking. Daejan Holdings PLC has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available.

This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

2 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost convention modified by the revaluation of investment properties as noted below.

Sales of investment properties

It is the company's policy to sell, as individual units, flats in residential blocks which have been held as investments but which are now considered uneconomic to retain. Occasionally there are sales of residential and commercial investment blocks. Since such sales of all types of investment property are expected to continue, the resulting surplus based on the excess of sales proceeds over valuation is included within the company profit on ordinary activities, and taxation applicable thereto is shown as part of the taxation charge.

Acquisitions and disposals of properties

Acquisitions and disposals are accounted for at the date of completion.

Investment properties

In accordance with Statement of Standard Accounting Practice No 19 investment properties are revalued annually. Surpluses or deficits arising are taken to the revaluation reserve. Any permanent diminution is taken to the profit and loss account for the year. No depreciation or amortisation is provided in respect of freehold investment properties and leasehold investment properties with over 20 years to run.

This treatment, as regards certain of the company's investment properties, may be a departure from the requirements of the Companies Act concerning depreciation of fixed assets. However, these properties are not held for consumption but for investment and the directors consider that systematic annual depreciation would be inappropriate. The accounting policy adopted is therefore necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of the many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

Leases having an unexpired term of less than 20 years are amortised evenly over the remaining period of the lease.

2 Accounting policies (continued)

Taxation

Current:

Provision is made for consideration payable to or receivable from other group undertakings for the surrender of losses under group relief provisions.

Deferred:

Deferred tax is provided in respect of all timing differences that have originated but not reversed at the balance sheet date where an event has occurred that results in an obligation to pay more or less tax in the future, except that:

- (i) provision is not made in respect of property revaluation surpluses unless the sale has been completed and rollover relief is not available to cover any gain arising; and
- (ii) deferred tax assets are recognised only to the extent that it is more likely than not that there will be suitable deferred tax profits from which the future reversal of the relevant timing differences can be deducted.

Deferred tax is measured on a non discounted basis at the tax rates which apply at the balance sheet date.

Turnover

Turnover comprises rents and service charges receivable less applicable provisions.

Repairs

The cost of repairs is written off to the profit and loss account in the year in which the expenditure is incurred.

Related party transactions

The company has taken advantage of the exemption in FRS 8 Related Party Disclosures in order to dispense with the requirement to disclose transactions with other Daejan Holdings PLC group companies.
