**INDEPENDENT AUDITOR'S REPORT**

**TO PRECIS (1080) LIMITED**

**UNDER SECTION 449 OF THE COMPANIES ACT 2006**

We have examined the abbreviated accounts set out on pages 2-5, together with the financial statements of Precis (1080) Limited for the year ended 30 April 2009, prepared under section 396 of the Companies Act 2006.

**Respective responsibilities of directors and auditors**

The directors are responsible for preparing abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

**Basis of opinion**

We conducted our work in accordance with Bulletin 2008/4 "The special auditor's report on abbreviated accounts in the United Kingdom" issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

**Opinion**

In our opinion, the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

**Other Information**

On 7 December 2009 we reported as Auditors to the members of the company on the financial statements prepared under Section 495 of the Companies Act 2006 and our report included the following paragraph.

**Going concern**

In forming our opinion, we have considered the adequacy of the disclosures made in the financial statements concerning the future funding and trading cash flows of the company. The financial statements have been prepared on a going concern basis, the validity of which depends upon both the continued support of the company's shareholders and future trading cash flows.

The financial statements do not include any adjustments that would result if future trading cash flows were insufficient or if shareholder support was withdrawn. Should the company be unable to continue trading, adjustments would have to be made to reduce the value of the assets to their recoverable amounts and to provide for any further liabilities which might arise and to reclassify fixed assets and long term liabilities as current assets and current liabilities respectively. Details of the circumstances relating to this fundamental uncertainty are described in the accounting policies. Our opinion is not qualified in this respect.

**NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2009**

**1. ACCOUNTING POLICIES**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements:

**(a) Basis of preparation of financial statements**

The financial statements have been prepared on a going concern basis and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). In the opinion of the directors, this is an appropriate basis to show a true and fair view of the state of affairs of the company at the balance sheet date. The company has full support of the ultimate parent company and other creditors. In the opinion of the directors the company will remain in a position to meet its liabilities as and when they fall due in the foreseeable future.

**(b) Foreign currencies**

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction. Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Exchange differences are taken into account in arriving at the operating result.

**(c) Deferred taxation**

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on tax rates and laws that have been enacted by the balance sheet date.

**(d) Consolidated accounts**

No consolidated accounts have been prepared for Precis (1080) Limited since it is a wholly-owned subsidiary of Kanta Enterprises Limited, a company incorporated in England and Wales.

**(e) Cash flow statement**

Under Financial Reporting Standard 1, the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly-owned subsidiary undertaking.
