### STRATEGIC REPORT

### FOR THE YEAR ENDED 31 MARCH 2017

The results for the year show an increase in turnover and cost of sales. This is a reflection of both the increase in silver price and the increase in volumes of high grade materials received, which resulted in improved profitability compared with the prior period.

The impact of the growth of digital photography replacing the traditional photographic film waste continues to be the biggest risk to the business. New sources of materials continue to be explored.

A fall in metal prices (particularly silver) present a risk to the supply volumes of waste to refine, and abnormal increases in fuel costs remain another risk to the business.

The commercial and financial position of the Company at the year end was considered satisfactory by the directors, given the improvements in dividends paid, silver output, and profit.

The main key performance indicators of the Company are those that relate to intakes of materials for refining, and the Company's processing costs of those materials. Comparisons of the above figures for the last two years are as follows:

### Key performance indicators

noy performance malcators	. 2016/17	2015/16
Receipts of materials for refining (tonnes)	3,745	3,856
Production overheads (excluding external costs for non-silver materials)	£2,635,376	£2,640,773
Administration expenses (excluding management fees to holding company)	£1,898,196	£1,437,728
Silver output excluding re-casting work (tonnes)	143.7	137.6
Production overheads per tonne of silver (excluding re-casting work)	£18,339	£19,186
Total overheads per tonne of silver	£31,549	£29,631

On behalf of the board

30 June 2017

### **DIRECTORS' REPORT**

### FOR THE YEAR ENDED 31 MARCH 2017

The directors present their report and financial statements for the year ended 31 March 2017.

#### Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

C L Phipps

S L Phipps

**B J Meddings** 

J S Rutherford

S R B Meddings

**K R Davies** 

(Resigned 28 October 2016)

### Results and dividends

The results for the year are set out on page 6.

Interim dividends were paid during the year amounting to £500,000 (2016 - £Nil).

#### Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

### **DIRECTORS' REPORT (CONTINUED)**

### FOR THE YEAR ENDED 31 MARCH 2017

### **Financial instruments**

The company has a normal level of exposure to credit, liquidity and cash flow risks arising from its trading activities which are conducted in primarily in sterling. The company is exposed to changes in foreign exchange rates on some of its activity but is able to amend prices where exchange rates change significantly.

The significant risk affecting the company arises from changes in the metal commodity prices. The company does not enter into any specific hedging transactions in respect of this risk but as the company buys and sells in metal commodities, it is able to match its sales and purchases to mitigate the risk.

On behalf of the board

B. J. Meddy

B J Meddings

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF JBR RECOVERY LIMITED

We have audited the financial statements of JBR Recovery Limited for the year ended 31 March 2017 set out on pages 6 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
   and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements, and the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

# INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF JBR RECOVERY LIMITED

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

### 1 Accounting policies

### **Company information**

JBR Recovery Limited is a company limited by shares incorporated in England and Wales. The registered office is Argentor House, Oldbury Road, West Bromwich, B70 9BS.

The nature of the company's operations and its principal activities during the year was the provision of a waste recovery service to manufacturers and other waste handling companies, whereby waste products are disposed of in an environmentally sound and economic manner and valuable metals such as gold, silver, copper and lead are recovered.

### 1.1 Accounting convention

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

The company has taken advantage of the reduced disclosure framework in preparing these financial statements as permitted by FRS102 to the extent they relate to cash flow, financial instruments and related party disclosures.

These financial statements are included in the consolidated financial statements of Phipps and Company Limited as at 31 March 2017 and these financial statements may be obtained from Mathon Court, Mathon, Malvern, Worcestershire, WR13 5NZ.

The company operates from leasehold premises and, at the date of these financial statements, the leases were due to expire in September 2017. The company has been in negotiations with landlord to renew the leases for a further period of 15 years and consider that the proposed terms of the new leases have been agreed in principal by the landlord. Should the new leases not be agreed, then this would significantly impact on the operations of the company in the future. The directors anticipate that the new leases will be signed in July 2017 and therefore, at the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

### 1.2 Turnover

Turnover represents the amounts of metal recovered, recasting charges and other services net of VAT. Turnover is recognised when a right to consideration has been obtained through the performance under each contract. Consideration accrues as activity progresses by reference to the work performed.

Unsold metal is included in work in progress or bullion dependent upon the completion of the refining process and recasting charges are recognised when the work is complete.

### 1.3 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

### 1 Accounting policies

(Continued)

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Short leasehold land & buildings

10 years straight line basis

Plant & machinery

10% - 33 1/3% on a straight line basis

Fixtures fittings & equipment

10% - 33 1/3% on a straight line basis

Motor vehicles

3 years straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

#### 1.4 Impairment of fixed assets

At each reporting end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.5 Stocks

Stocks of raw materials and consumables are stated at the lower of cost and estimated selling price less costs to complete and sell.

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of stocks over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss. Reversals of impairment losses are also recognised in profit or loss.

### 1.6 Work in progress and bullion

Bullion represents fully refined metals held on site or held on account at a bullion broker and is valued at the year end spot price of the metals.

Work in progress represents amounts recoverable from metals partly processed at the year end and is valued by reference to the year end spot price of metals less estimated attributable costs and profit to completion.

### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

#### 1.8 Financial instruments

Unless the arrangement constitutes a financing arrangement, debt instruments that are payable or receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Other debt instruments are measured at amortised cost using the effective interest method.

Where an arrangement constitutes a financing transaction, the financial asset or liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### 1.9 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

### 1 Accounting policies

(Continued)

### 1.10 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

#### Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

#### Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

#### 1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

### 1.12 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the lease asset are consumed.

### 2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

### **Critical judgements**

The directors did not identify any critical judgments in preparing the accounts apart from those involving estimates disclosed below.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

### 2 Judgements and key sources of estimation uncertainty

(Continued)

### Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

### Valuation of work in progress

The work in progress element of the company's overall stock figure involves estimating the grading of the various types of that stock included in work in progress. Estimates are therefore made to reflect the element of profit deferred and the further refining costs required to convert it into bullion. The company uses historical results and applies a consistent method to estimate this, while also reviewing any changes that are required from time to time. In addition, the directors aim to ensure work in progress is kept to a minimum level needed to maximise output. Included in work in progress is £7,098,037 (2016 - £4,717,543) which is valued based on such estimates.

#### 3 Turnover and other revenue

An analysis of the company's turnover is as follows:

	2017	2016
	£	£
Turnover	•	
Metal sales	69,721,168	48,858,544
Recasting charges	64,958	85,224
	69,786,126	48,943,768
		<del></del>
Other significant revenue		
Interest income	200	2,630

The total turnover of the company for the year has been derived from its principal activities wholly undertaken in the United Kingdom

### 4 Operating profit

	2017	2016
Operating profit for the year is stated after charging/(crediting):	£	£
Fees payable to the company's auditor for the audit of the company's		
financial statements	15,500	14,900
Depreciation of owned tangible fixed assets	237,278	221,142
Loss on disposal of tangible fixed assets	233	1,165
Cost of stocks recognised as an expense	63,929,542	44,629,581
Operating lease charges	187,100	194,157

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

### 5 Employees

The average monthly number of persons (including directors) employed by the company during the year was:

2016 Number	2017 Number		
35	31	Production	
8	8	Commercial / administration	
43	39		
		Their aggregate remuneration comprised:	
2016 £	2017 £		
1,358,242	1,584,386	Wages and salaries	
141,562	176,019	Social security costs	
77,571	98,428	Pension costs	
1,577,375	1,858,833		
		Directors' remuneration	6
2016	2017		
£	£		
295,578	536,746	Remuneration for qualifying services	
21,733	66,261	Company pension contributions to defined contribution schemes	
317,311	603,007		

The number of directors for whom retirement benefits are accruing under defined contribution schemes amounted to 3 (2016 - 3).

Remuneration disclosed above include the following amounts paid to the highest paid director:

Remuneration for qualifying services	238,903 .	87,184
Company pension contributions to defined contribution schemes	8,700	9,606

Only the directors are considered to be key management personnel.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

#### 18 Deferred taxation

Deferred tax assets and liabilities are offset where the company has a legally enforceable right to do so. The following is the analysis of the deferred tax balances (after offset) for financial reporting purposes:

	Liabilities	Liabilities
	2017	2016
Balances:	£	£
Capital allowances in advance	107,998	86,377
Other timing differences	(5,093)	(1,329)
	102,905	85,048
,		
		2017
Movements in the year:		£
Liability at 1 April 2016		85,048
Charge to profit or loss		22,728
Effect of change in tax rate - profit or loss		(4,871)
Liability at 31 March 2017	•	102,905

### 19 Retirement benefit schemes

The company operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the company in an independently administered fund.

The charge to profit or loss in respect of defined contribution schemes was £98,428 (2016 - £77,571).

### 20 Share capital

	2017	2016
	£	£
Ordinary share capital		
Issued and fully paid		
350,000 Ordinary shares of £1 each	350,000	350,000
	<del></del>	

Share capital represents the nominal value of shares that have been issued. The company has one class of share which does not carry the right to a fixed dividend.

### 21 Reserves

### Share premium

Represents the excess over nominal value received on the issue of share capital. Any transaction costs associated with the issuing of shares are deducted from the share premium.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2017

### 21 Reserves (Continued)

#### Capital redemption reserve

This reserve records the nominal value of shares repurchased by the company.

### **Profit and loss reserves**

Profit and loss account - includes all current and prior period profits and losses net of dividends paid.

### 22 Financial commitments, guarantees and contingent liabilities

The company has entered into a Composite Accounting Agreement dated 2 December 2005 whereby, in certain circumstances, the bank may utilise the bank balances of the company and apply them in reduction of liabilities of parties to the agreement. At 31 March 2017, the maximum potential liability under this agreement was £1,171,586 (2016: £1,768,039).

### 23 Operating lease commitments

#### Lessee

At the reporting end date the company had outstanding commitments for future minimum lease payments under non-cancellable operating leases, which fall due as follows:

	2017	2016
		£
Within one year	109,893	179,627
Between two and five years	61,372	159,360
	171,265	338,987
	·	

### 24 Related party transactions

The company has taken advantage of the exemptions available in FRS102 not to disclose transactions with group companies which are wholly owned members of the group.

The company sold goods totalling £8,889 (2016 - £Nil) to a director in the year. There were no amounts outstanding at the year end.

### 25 Controlling party

The immediate parent company and the ultimate parent company is Phipps & Company Limited, a company registered in England and Wales.

Phipps & Company Limited prepares group financial statements and copies can be obtained from the registered office at Mathon Court, Mathon, Malvern, Worcestershire, WR13 5NZ.
