Company law requires the director to prepare financial statements for each financial year. Under that law, he has elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice (UK Accounting Standards and applicable law). Under company law, he must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing these financial statements, he is required to

- select suitable accounting policies and apply them consistently
- make judgments and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activities and Review of the Business

The company is not trading and the only transactions relate to charges for maintaining the company's bank account.

Future Developments

There are no plans to undertake any further activities.

Results

The loss for the year after taxation was £105 (2014 £95).

Risk Management

The director reviews the risks to which the company is exposed on regular basis but, as the company is no longer trading, there are currently no significant risks.

Director

W J Marshall was the sole director of the company throughout the year.

Provision of Information to the Auditor

The director who held office at the date of approval of this director's report confirms that, so far as he is aware, there is no relevant audit information of which the company's auditor is unaware; and he has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

The auditor, Mazars LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.
