# Children's Scrapstore 2001 - 2002

The Children's Scrapstore is a registered Charity which collects safe waste and surplus materials from industry & commerce and makes them available, at very little cost, to 1200 member groups. Groups who work in a creative, play, care, educational or therapeutic setting in the greater Bristol area are eligible to join Children's Scrapstore. These groups work with around 200,000 users, the majority of whom are children and young people. Members join us from throughout Bristol, North Somerset, South Gloucestershire and Bath & N.E. Somerset, as well as some groups from Gloucestershire, Wiltshire, Devon and South Wales. Full member groups include playgroups, nurseries, crèches, parent & toddler groups, Resources & Activities Centres, cubs, scouts, guides, brownies, beavers, woodcraft folk, city farms, adventure playgrounds, hospitals, arts, environmental & theatre groups, and associate member groups are schools and college departments. The focus of Scrapstores work is to provide waste materials as an art & craft resource for creative play and education, other resources to compliment this work and also in the process raise the members' awareness of recycling issues.

Scrapstores main aim, besides the re-use of scrap materials, is to allow children to play, experiment and stimulate their imaginations with a variety of familiar and unusual, inexpensive materials - a chance they might not otherwise have. Many of our member groups are voluntary, have very limited budgets if any, and rely heavily on Scrapstores existence for their basic play materials. The materials range from off-cuts of paper, card, wood, fabrics and hot air balloon material, to plastic trays, boxes and empty tins. They are used in a wide range of art, craft and play activities, for example, painting, drama, games, kite making, puppets, masks, mobiles and musical instruments.

Scrapstore is a Registered Charity Limited by Guarantee. Charity No. 1008788. Company No. 2624238.

Just over half the staff salary costs are funded by the four local authorities. The remainder of costs are covered by general trading activities, including Scrapstore Enterprises Ltd (Artrageous art & craft shop within Scrapstore), income from membership subscriptions and loan equipment, donations for scrap materials and other fundraising.

Scrapstore has built up a sound local reputation and is a respected organisation, not only for the services it offers but also because of its consistently enterprising and innovative organisational approach. It is more widely known through its active association with various national & local networks such as the Play Panel, The Play and Early Years Training Unit, BHP, BAND, WPSD, The Recycling Consortium and The CREATE Centre.

## **Trustees' Report**

This financial year has been another challenging one for Children's Scrapstore as we are actively planning for the future yet trying to keep our current operations functioning as usual.

We began 2001/2002 with a small surplus which meant we did not have to reduce our general reserves. Our fundraising strategy and public donations have meant we have kept our heads above water. We adopted tight budgets and during the year have been given small donations towards running costs, as well as receiving £6,650 in gift aid from Scrapstore Enterprises Ltd at the end of the financial year.

Our trading arm Scrapstore Enterprises Ltd, now re-launched as "Artrageous", continues to thrive and through advertising and new stock has improved turnover. Customers can not only buy cheap art & craft goods but know if there is any profit at the end of the financial year that it will be gift-aided to the charity.

Our Rural Groups working party continues the valuable research into the needs of our member groups from rural areas and other groups who operate miles from Bristol. The subgroup has secured a grant for a part-time post to get out into the community and research the best possible way to resource those groups working in creative play but without the ability to travel to Scrapstore to shop for resources.

Any other donations received during the year, which were not specified for particular work or used for core costs, have been put into our Building Fund. We have nearly used our grant from the Tudor Trust for the Building Project Manager and will be applying for continuation funding for this project. We have been working hard all year to locate a suitable building and at this time we are hoping to purchase a particular site.

We have received grants through the Landfill Tax from Cliffeville Ltd and Esmee Fairbairn Trust, for the continuation of our Increased Capacity Project, so that we can research potential new scrap suppliers in order to resource an increased membership in the future.

## **Reserves Policy**

The Management Committee have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the charity should be between 3 and 6 months of the resources expended, which equates to £54,000 to £108,000 in general funds. At this level the Management Committee feel that they would be able to continue the current activities of the charity in the event of a significant drop in funding. It would obviously be necessary to consider the 'Risks & Reserves Management Plan' if the funding would need to be replaced or activities changed. At present the free reserves, which amount to £64,827, just reach the lower target level and the Management Committee are considering ways in which additional funds will be raised.

### Risk review

The Management Committee has conducted its own review of the major risks to which the charity is exposed and systems have been established to mitigate those risks. External risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and to ensure consistent quality of delivery for all operational aspects of the charitable company. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

It is our opinion that Children's Scrapstore is in an adequate financial state and the budget indicates we will continue to be so for the coming year and beyond.

Dick Maule is to be reappointed as Auditor.

Scrapstore Enterprises Ltd has their trading activities summarised in the accounts that follow.

## Management Team 2001- 2002

## **Trustees Responsibilities**

Charity regulations and Company law require the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing those accounts the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- Follow applicable accounting policies, subject to any material departures disclosed and explained in the accounts;
- Prepare accounts on the going concern basis unless it is inappropriate to presume the company will keep operating.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985, and with the Statement of Recommended Practice Accounting for Charities. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with s.385 of the Companies Act 1985, a resolution for the reappointment of Dick Maule as auditor is to be proposed at the forthcoming Annual General Meeting.

In preparing the above report the Trustees have taken advantage of special exemptions applicable to small companies.

By order of the Trustees

Trustee

Date:

#### Independent auditor's Report to the members of The Children's Scrapstore

I have audited the financial statements of The Children's Scrapstore for the year ended 31st. March 2002 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

#### Respective responsibilities of the Trustees and auditor

As described in the Statement of the Trustees's Responsibilities the trustees, who are also the Trustees for the purpose of company law are responsible for the preparation of the financial statements in accordance with applicable law and the United Kingdom Accounting Standards.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Accounting Standards.

I report to you my opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. I also report to you if, in my opinion, the Trustees Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for my audit, or if the information specified by law regarding Trustees remuneration and transactions with the company is not disclosed.

I read the Trustees's Report and consider the implications for my report if I became aware of any apparent misstatements within it.

#### Basis of opinion

I conducted my audit in accordance with United Kingdom Accounting Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the judgements made by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In my opinion the financial statements give a true and fair view of the charitable company's and group's affairs at 31st. March 2002, and of the group's incoming resources and application of resources, including its income and expenditure for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

#### Notes to the accounts for the year ended 31st. March 2002

#### (1) Principal Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year.

The accounts have been prepared under the historical cost convention, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities. (SORP 2000) issued in October 2000, applicable accounting standards and the Companies Act 1985. The principal accounting policies adopted in the preparation of the financial statements are as follows:

#### Depreciation

All items over £250 are capitalised.

Tangible fixed assets are being written off over the expected useful life of the asset, using the reducing balance basis as follows:

motor vehicles, equipment, fixtures and fittings 2

25 % per annum.

Restricted and designated funds

Restricted funds are to be used for specific purposes as laid down by the donor, unrestricted funds are income received and generated by the objects of the charity without further specified purpose and are available as general funds. Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

#### (2) Status

The Children's Scrapstore is a company limited by guarantee, and also a registered charity. No taxation is therefore due on the activities of the charity, but is due on its subsidiaries.

#### (3) Stock

Stock is valued at the lower of cost and net realiseable value.

#### (4) Fixed Assets
