Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the board on 16th December 2003 taking advantage of the special exemptions available to small companies.

REPORT OF THE ACCOUNTANTS TO THE MEMBERS OF
MICROCEL (UK) LIMITED

We have prepared, without audit, the financial statements of the company, under the historical cost convention, and by the applying the accounting policies shown on page 7, from the accounting records kept by the company and by making such enquiries of the company's officers as we considered necessary for this report, and are in accordance therewith.

In our opinion having regard only to, and on the basis of, the information contained in those accounting records kept by the company under section 221 of the Companies Act, the company satisfied the conditions for exemption from an audit of the accounts for the year specified in section 249A(4) of the Act and did not at any time fall within any of the categories not entitled to the exemption specified in section 249B(1) (a) to (f).

1. ACCOUNTING POLICIES

a. Basis of preparation of the accounts

The accounts have been prepared under the historical cost convention and incorporate the results of the principal activity which is described in the directors report.

The company has taken advantage of the exemption in FRS1 from the exemption to produce a cash flow statement on the grounds that it is a small company.

b. Turnover
