### **Directors' statement of responsibilities for the year ended 31 March 2001**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company, and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company to enable them to ensure the financial statements comply with the Companies Act 1985, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Report of the auditors to the members of  
THE ECONOMIST GROUP LIMITED**

We have audited the financial statements on pages 5 to 8 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

**Respective responsibilities of directors and auditors**

The directors are responsible for preparing the Annual Report. As described on page 3, this includes responsibility for preparing the financial statements, in accordance with applicable United Kingdom accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the United Kingdom Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the Annual Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

**Basis of audit opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2001 and of its results for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### **Notes to the financial statements - 31 March 2001**

#### **1. Accounting policies**

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom, which have been applied consistently.

##### **(a) Accounting convention**

These financial statements are prepared under the historical cost convention.

##### **(b) Consolidation**

The company is exempt by virtue of section 228 of the Companies Act 1985 from the requirement to prepare group accounts. These financial statements present information about the company as an individual undertaking and not about its group.

##### **(c) Fixed asset investments**

Fixed asset investments are stated at cost less provision for any impairment.

##### **(d) Cash flow statement**

The company is a wholly owned subsidiary of The Economist Newspaper Limited and the cash flows of the company are included in the consolidated group cash flow statement of The Economist Newspaper Limited. Consequently, the company is exempt under the terms of Financial Reporting Standard No. 1 (revised) from publishing a cash flow statement.

##### **(e) Foreign exchange**

Foreign exchange transactions during the year are translated at the prevailing rate on the date of the transaction. Any monetary assets and liabilities denominated in foreign currencies are translated at the rate at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

##### **(f) Related party transactions**

As the company is a wholly owned subsidiary of The Economist Newspaper Limited, the company has taken advantage of the exemptions contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the group.

#### **2. Directors' emoluments**

None of the directors received any emoluments in respect of their services to the company during the year (2000: nil).

#### **3. Employees**

The company had no employees during the year (2000: nil).
