## **Directors' Report**

The directors present their report and the financial statements of Box Television Limited ("the Company") for the year ended 31 December 2010

### **Ownership**

The Company is a joint venture owned equally by Bauer Consumer Media Limited and 4 Ventures Limited. The ultimate parent company of Bauer Consumer Media Limited is Heinrich Bauer Verlag KG. 4 Ventures Limited is a wholly owned subsidiary of Channel Four Television Corporation ('Channel 4').

### **Business review**

The Company's principal activity is to produce music and commercial content and to operate seven music television channels and their ancillary services (predominantly in the United Kingdom and the Republic of Ireland), known as '4Music', 'The Box', 'Kiss TV', 'Q TV', 'Kerrang TV', 'Magic TV', and 'Smash Hits TV'. All seven channels are available on Satellite and Cable platforms and 4Music is also available on Freeview.

In January 2010 Channel 4 commenced advertising sales representation for the company. The operation transferred from Sky to Channel 4 following the expiry of the contract previously held with Sky.

### **Financial performance and key performance indicators**

The company generated an operating profit of £11.8 million in the year (2009: £4.4 million).

Revenue is derived principally from the selling of advertising slots before and during programmes, sponsorship campaigns associated with programmes and subscription services. Revenues grew year on year by £7.0 million from £28.5 million in 2009 to £35.5 million in 2010, reflecting year on year growth of 25% due in part to a combination of a one-time benefit of changing airtime sales arrangements and a recovery in the advertising market. Additional revenue growth was driven by increased investment in programming and marketing and growth in programme sales.

### **Key risks**

The majority of the Company's revenue is derived from advertising. The dependency upon advertising revenue means that the Company is susceptible to cyclical fluctuations as well as structural changes in the advertising market. Advertising income is extremely variable and has the potential to change significantly during the course of the year as a result of changes in audience share or broader market and economic conditions. A large proportion of the Company's costs are fixed within a year which means that the Company has limited ability to respond to short term downturns in advertising income. In order to mitigate this risk the Company monitors the advertising market and its share of the market very closely to identify trends and to allow time to respond. As far as possible, the Company maintains a flexible cost base.

The Company's operations expose it to a variety of financial risks, including the effects of changes in interest rates and credit risk. The management of these risks is controlled through the financial risk management policies of the Company.

### **Results and dividends**

The Company generated a profit after tax in the year of £8.5 million (2009: £3.2 million).

An interim dividend of £7.3 million was paid in the year (2009: £3.0 million). The directors do not recommend the payment of a final dividend for the year (2009: £nil).

### **Policy and practice on payment of creditors**

The Company understands the benefits to be derived from maintaining good relationships with its suppliers and accordingly the Company ensures that, wherever possible, its payment to suppliers for goods and services are made in accordance with the suppliers' terms and conditions. The company had trade creditors of £117,000 at 31 December 2010 (31 December 2009: £224,000).

## **Directors' Report (continued) Directors**

The directors who held office during the period and to the date of this report were as follows,

|                  |                              |

| Martin Baker     | (appointed 11 February 2011) |
| George Dixon     | (appointed 28 February 2011) |

The directors are employees either of the Company, Channel 4, or the Bauer Group

### **Employment Policy**

Box Television Limited is an equal opportunities employer and does not discriminate on grounds of sex, sexual orientation, marital status, race, colour, ethnic origin, disability, age or political or religious belief in its recruitment or other employment policies

### **Political and charitable contributions**

The Company made no political or charitable donations or incurred any political expenditure during the current or prior period

### **Going Concern**

The Company has considerable financial resources and audience growth has been maintained in 2011 to date. Based on normal business planning and control procedures, the directors believe that the Company is well placed to manage its business risks. The directors have a reasonable expectation that the Company will continue in operational existence for the foreseeable future and therefore continue to adopt a going concern basis of accounting in preparing the annual financial statements

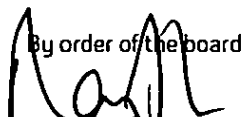

### **Disclosure of information to auditors**

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information

### **Auditors**

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office

**STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BOX TELEVISION LIMITED**

We have audited the financial statements of Box Television Limited for the year ended 31 December 2010 set out on pages 7 to 19. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

A description of the scope of an audit of financial statements is provided on the APB's website at [www.frc.org.uk/apb/scope/private.cfm](http://www.frc.org.uk/apb/scope/private.cfm)

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

There were no movements in net funds in the period other than the increase in cash stated above and consequently no reconciliation of net cash flow to movement in net funds has been presented

**Notes (forming part of the financial statements)**

**1. Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

**Basis of preparation**

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. The financial statements have been prepared on a going concern basis.

Audience growth has been maintained in 2011 to date. The directors therefore consider that, based on normal planning and control procedures, the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing the financial statements.

At 31 December 2010 the Company had net assets of £6.3 million (2009: £5.0 million).

**Revenue recognition**

All revenues have been stated net of advertising agency commissions where these are borne and paid by advertisers, and value added tax. Revenues are recognised when services are performed, persuasive evidence of an arrangement exists and when collectability is reasonably assured.

Television advertising revenue is recognised on transmission of the advertisement.

Revenues from sponsorship of the Company's programmes are recognised on transmission of the programme.

Subscription fee revenue is recognised over the period of the subscription.

**Tangible fixed assets and depreciation**

The cost of tangible fixed assets net of any estimated residual value on disposal is written down evenly over their expected useful lives as follows:

|                                  |           |
|----------------------------------|-----------|
| Plant and machinery              | 3-5 years |
| Fixtures, fittings and equipment | 3 years   |

**Foreign currencies**

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

**Leases**

Rental costs under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

## Notes (continued)

### 1 Accounting policies (continued)

#### Post-retirement benefits

Employees of the Company are eligible to join the Channel 4 defined contribution pension plan. The assets of the scheme are held separately from those of the Company in an independently administered fund. The amount charged to the profit and loss account represents the contributions payable to the scheme in respect of each accounting period.

#### Stock

Stock is valued at the lower of cost and net realisable value. Programme rights are stated at direct cost incurred up to the balance sheet date after making provision for programmes which are unlikely to be transmitted or sold. Direct cost is defined as payments made or due to programme suppliers, including Channel 4.

The cost of programme rights is wholly written off on first transmission of the programme.

#### Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

#### Cash

Cash, for the purpose of the cash flow statement, comprises cash in hand and cash deposits repayable on demand.

*Factors affecting the tax charge for the period*

The current average tax charge for the year is in line with (2009 in line) the average standard rate of corporation tax in the UK during the year 28% (2009 28%). The key factors affecting the charge are explained below

8. Deferred Tax

Deferred tax assets and liabilities are recognised at 27% (2009 28%). The change in rate reflects the change in the corporation tax rate to 27% with effect from 1 April 2011.

Deferred tax assets and liabilities are measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on the rates that have been enacted or substantively enacted at the balance sheet date. During the year, the UK Government announced a phased reduction in the main UK corporation tax rate from 28% to 24%, with the first 1% reduction taking effect from 1 April 2011 (and substantively enacted on 20 July 2010). Therefore, at 31 December 2010, deferred tax assets and liabilities have been calculated based on a rate of 27%, where the temporary difference is expected to reverse after 1 April 2011.

The effect of the re-measurement has had no material impact on the profit for the year. No account has been taken of the further 3% reduction in tax rates until substantive enactment of these changes, however it is estimated that this will not have a material impact on the company.

Subsequent to the year end, the UK Government announced a further 1% reduction in the main UK corporation tax rate effective from 1 April 2011. No account has been taken of this change as the reduction was not substantially enacted by the end of the reporting period.

The movement on deferred tax is
