Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2001.

Principal activities

The principal activity of the company continues to be the manufacture and sale of specialised paints used in the motor industry. The company now manufactures paints for an extensive range of automotive parts in both the plastics and metal based categories. Advanced computer techniques coupled with the company's recognised expertise in this field enables it to enjoy the reputation of being acknowledged specialists in automotive coatings.

Business review

In common with many suppliers to the UK motor industry we are constantly under pressure to reduce our prices. In order to maintain our market share we are absorbing such pressures by making efficiencies in the manufacturing prices, localising raw materials and controlling our overhead expenditure. The company's underlying policy continues to be to give customer satisfaction, deliver quality products, good service and to continually strive to improve the company's performance.

Proposed dividend

The directors do not recommend the payment of a dividend.

Directors and directors' interests

The directors who held office during the year were as follows:

WA Jones	
T Sawada	(resigned 12 July 2001)
M Matsuura	
T Fujishima	(resigned 12 July 2001)
S Amano	(appointed 12 July 2001)
T Kimura	(appointed 12 July 2001)
K Tanino	(appointed 12 July 2001)

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company.

According to the register of directors' interests, no rights to subscribe for shares in or debentures of the company or any other group company were granted to any of the directors or their immediate families, or exercised by them, during the financial year.

Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the company continues and that appropriate training is arranged. It is the policy of the company that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

Directors' report (continued)

Employees

The company places considerable value on the involvement of its employees and keeps them informed on matters affecting them as employees and on the various factors affecting the performance of the company. This is achieved through formal and informal meetings. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests.

Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG as auditors of the company is to be proposed at the forthcoming Annual General Meeting.

By order of the board

S Amano

Managing Director

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

8 Salisbury Square London EC4Y 8BB United Kingdom

Report of the independent auditors to the members of NP Automotive Coatings (Europe) Limited

We have audited the financial statements on pages 5 to 17.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2001 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Under Financial Reporting Standard I the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As 100% of the voting rights are controlled within the group headed by Nippon Paint Company, Japan, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of Nippon Paint Company Limited, Japan, within which this company is included, can be obtained from the address given in note 20.

Intangible fixed assets and amortisation

Intangible fixed assets purchased separately from a business are capitalised at their cost.

Amortisation is provided at rates calculated to write off the cost less estimated residual value of each asset on a straight line basis over its estimated useful life as follows:

Technical licences - 10 years

Fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Freehold buildings - 30 years
Plant and machinery - 15 years
Fixtures and fittings - 5 years
Motor vehicles and short life assets - 3 years

No depreciation is provided on freehold land.

1 Accounting policies (continued)

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Leases

Assets acquired under finance leases are capitalised and the outstanding future lease obligations are shown in creditors. Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

Post-retirement benefits

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The amount charged against profits represents the contributions payable to the scheme in respect of the accounting period.

Stocks

Stocks are stated at the lower of cost and net realisable value. In determining the cost of raw materials, consumables and goods purchased for resale, the weighted average purchase price is used. For work in progress and finished goods cost is taken as production cost, which includes an appropriate proportion of attributable overheads.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers.

	Write down of fixed assets	2,100	-

Due to continuing losses, the subsidiary company, NP Automotive Coatings (Europe) Limited, has carried out an impairment review on the carrying value of its intangible and tangible fixed assets. This has resulted in an impairment loss of £2,100,000 being recognised in 2001.

In accordance with FRS11, this has been allocated against the intangible fixed assets (£376,000) with the remainder allocated against plant and machinery.

The impairment loss was measured by reference to the value in use and a discount rate of 11% was applied to the cashflows.

8 Taxation

No taxation liability arises as a result of the loss for the year and losses brought forward from prior years.

Net taxation losses of approximately £6,781,000 (2000: £5,098,000) are available for carry forward for offset against future taxable profits arising from the same trade.

Deferred taxation assets of approximately £3,685,110 (2000: £2,340,000) resulting from timing differences have not been recognised.

9 Intangible fixed assets
