The directors of the company have elected not to include a copy of the profit and loss account within the financial statements.

For the financial year ended 31 December 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

J P M Parry MBE
Director

Company Registration No. 2652429

PARRY PEOPLE MOVERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

Company information

Parry People Movers Limited is a private company limited by shares incorporated in England and Wales. The registered office is Overend Road, Cradley Heath, West Midlands, B64 7DD.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

1.3 Research and development expenditure

Research expenditure is written off to the profit and loss account in the year in which it is incurred. Development expenditure is written off in the same way unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred, treated as an intangible asset and amortised over the period during which the company is expected to benefit. The accumulated value of the company's R&D expenditure has been included at a revalued amount following a professional IP valuation by Collier IP.

1.4 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and machinery	25% reducing balance
Fixtures, fittings & equipment	25% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

(Continued)

1.6 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. Changes in fair value are recognised in profit or loss.

1.7 Cash at bank and in hand

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The following assets and liabilities are classified as financial instruments – trade debtors, trade creditors, bank loans and directors' loans.

Bank loans are initially measured at the present value of future payments, discounted at a market rate of interest, and subsequently at amortised costs using the effective interest method.

Directors' loans (being repayable on demand), trade debtors and trade creditors are measured at the undiscounted amount of cash or other consideration expected to be paid or received.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Employees

The average monthly number of persons (including directors) employed by the company during the year was:

	2020 Number	2019 Number
Total	4	2

3 Intangible fixed assets

	Other £
Cost	
At 1 January 2020 and 31 December 2020	1,700,000
Amortisation and impairment	
At 1 January 2020 and 31 December 2020	-
Carrying amount	
At 31 December 2020	1,700,000
At 31 December 2019	1,700,000

PARRY PEOPLE MOVERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

3 Intangible fixed assets (Continued)

During 2012 the company purchased the registered patents and the remaining intellectual property (IP) concerning lightweight rail passenger vehicles from JPM Parry & Associates Ltd, an associated company. The value of the transaction was agreed by both Boards at £100,000.

Further to this purchase the company engaged an independent professional IP valuation firm, Collier IP Management, to assess the total value of the IP held by Parry People Movers Ltd. The valuation was carried out using accepted valuation methods and was based on sales forecasts and potential future revenue streams from exploiting the technology. The report concluded that the total value of the IP held by the company is in the region of £1,400,000- £2,000,000. The report and valuation has been endorsed by leading railway industry figures. The Board have therefore decided to restate the value of the IP held on the Balance Sheet at the mid-point of £1,700,000.

4 Tangible fixed assets

	Plant and machinery etc
