DIRECTORS' REPORT

For the year ended 31 December 2022

The Directors submit their report and the financial statements of The Eastern Africa Association (a company limited by guarantee) for the year ended 31 December 2022. The Directors meet as an Executive Committee. Their report follows.

PRINCIPAL ACTIVITIES

The principal activities of the Company in the year under review were to promote and protect the interests of the members of the Association and facilitate the exchange of information between members of the ten countries covered in Eastern Africa.

LIABILITY OF THE COMPANY

The liability of the members is limited by guarantee. In the event of the company being wound up during the period of membership or in the following year, members would be required to contribute an amount not exceeding £10 each.

REVIEW OF ACTIVITIES

Regular meetings were held in Nairobi, of a hybrid variety, with those physically attending joined on line by others on zoom. The executive in Nairobi conducted meeting as with diplomats in Nairobi and contributed the majority of the content for the newsletter. London held a variety of meetings (lunches, receptions, seminars) with high profile speakers, including the Secretary General of the Commonwealth, visiting dignitaries and UK based diplomats. Two large receptions were held for members and guests including a Christmas dinner, courtesy of Stephenson Harwood.

We engaged a website agency to build a new digital presence, and launched it in May 2022, and the process of completion is ongoing.

DIRECTORS' REPORT

For the year ended 31 December 2022

REVIEW OF RESULTS

The results for the year show an operating loss of £65,208 compared to a loss in 2021 of £71,661.

This small reduction of £6,453 reflects a combination of reduced subscription income of £5,413, sundry income of £1,299 from Event & Meeting sponsorship, reduced administrative expenses in the UK of £15,052, and increased administrative expense in Nairobi of £4,485.

Because of adverse Stock Market conditions during the year, the investment portfolio suffered a net reduction in the unrealised gains within the portfolio of £69,664. This loss was mitigated by realised gains and income of £16,373.

During the year £62,500 (2021: £50,000) was withdrawn from the portfolio to cover operational expenditure.

As no taxation is payable for 2022, the overall deficit for the year of £118,499 has been deducted from Accumulated Funds leaving £505,101 to be carried forward.

DIRECTORS' REPORT

For the year ended 31 December 2022

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE COMMITTEE:

JPW Fone

Company Secretary

Date: 18 1 2023

Report of the Independent Accountants to the Members of The Eastern Africa Association

(A company limited by guarantee)
For the year ended 31 December 2022

As described on the balance sheet you are responsible for the preparation of the financial statements for the period ended 31 December 2022 set out on pages seven to twelve and you consider that the UK company is exempt from an audit.

In accordance with your instructions, we have reviewed these unaudited financial statements in order to assist you to fulfil your statutory responsibilities, from the financial statements, accounting records and information and explanations supplied to us.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

1 STATUS OF COMPANY

The Eastern Africa Association is incorporated under the Companies Act 1985 as a company limited by guarantee. In the event of a winding up, the members have each guaranteed the net liabilities of the company up to a maximum of £10.

The number of members at 31 December 2022 was 214 (2021 - 237).

2 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Accounting convention

The financial statements have been prepared under the historical cost accounting rules, modified to include the revaluation of certain assets.

Foreign Currency

Fixed assets acquired with foreign currency and located overseas are included in the accounts using rates of exchange ruling at the date of acquisition. Other assets and liabilities are translated into sterling using the year end rate. Income and expenditure of the Eastern Africa Office are translated at an average rate for the year, any resulting surplus or deficiency being dealt with through the profit and loss account.

Fixed assets and Depreciation

Tangible Fixed Assets are stated at cost less accumulated depreciation. Tangible fixed assets are depreciated over their estimated useful lives on the following bases.

Nairobi Office:

Furniture and equipment

10% straight line

Leasehold property

Straight line over period of lease

Computers and attachments

30% straight line

Turnover

Turnover represents members' subscriptions and services net of value added tax provided to customers. Subscription income is accounted for on a receipts basis.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
