NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 25 DECEMBER 2017

1. General information

Marlborough Knightsbridge Management Limited is a private company limited by share capital, incorporated in England and Wales, registration number 02668432. The address of the registered office is 4th Floor, 7/10 Chandos Street, London.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The previous accounts prepared under UK GAAP were for the year end 25 December 2016. The transition date to FRS 102 1A was the 26 December 2015. The transition provisions are detailed in note 13.

The following principal accounting policies have been applied:

2.2 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Revenue comprises ground rent and other rent receivable in respect of the property owned by the company.

2.3 Investment property

Investment property is carried at fair value determined annually by directors and derived from the current market values, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the Statement of Comprehensive Income.

2.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

2.6 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 25 DECEMBER 2017

2. Accounting policies (continued)

2.6 Financial instruments (continued)

impairment loss is recognised in the Statement of Comprehensive Income.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.7 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.8 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance Sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2.9 Sale of lease extension

The company recognises the income on the sale of lease extensions at completion. Net proceeds in excess of the resulting reduction in the carrying value of the property is included in Other Operating Income. A transfer is made from the Revaluation Reserve to the Profit and Loss Accounts in the reserve note for the difference between the carrying value of the leases and the historic cost.

3. Employees

The average monthly number of employees, including directors, during the year was 4 (2016 - 4).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 25 DECEMBER 2017

4.	Taxation		
		2017 £	2016 £
	Corporation tax		
	Current tax on profits for the year	1,142	-
	Deferred tax		
	Origination and reversal of timing differences	(15,245)	(519)
	Taxation on loss on ordinary activities	(14,103)	(519)

Factors affecting tax charge for the year

There were no factors that affected the tax charge for the year which has been calculated on the profits on ordinary activities before tax at the standard rate of corporation tax in the UK of 19% (2016 - 20%).

5. Investment property

	Freehold investment property £
Valuation	
At 26 December 2016	1,424,527
Additions at cost	6,251
Disposals	(12,883)
At 25 December 2017	1,417,895

The 2017 valuations were made by the directors at the balance sheet date, on a fair value basis.

On a historical cost basis it would have been included at original cost of £58,884 (2016: £54,083).

6. Debtors

		248,352	263,597
			·

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 25 DECEMBER 2017

10. Reserves

Other reserves

The other reserves includes a loan of £80,996 (2016: £80,996) repayable at the discretion of the company, made by the tenants to finance the purchase of the common areas of the building. The remainder of the balance represents the fair value movement on the investment property under FRS 102, net of the associated deferred tax.

11. Related party transactions

Included in other creditors at the balance sheet date is £29,865 (2016: £7,256 due from) due to the property service fund, which is related by virtue of the company's shareholders interest in the service charge fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 25 DECEMBER 2017

12. First time adoption of FRS 102

The Company transitioned to FRS 102 from previously extant UK GAAP as at 26 December 2015. The impact of the transition to FRS 102 is as follows:

Net assets Capital and reserves	Total assets less current liabilities Provisions for liabilities	Net current assets	Fixed assets Current assets Creditors: amounts falling due within one year
			N ot e
1,952,903	1,952,903	528,376	As previously stated 26 December 2015 £ 1,424,527 532,937 (4,561)
