Directors' Report

The directors present their report and unaudited Accounts for the year ended 31 December 2011

Activities and review

Camjar plc ("the company"), registered company number 2671630, was established to complement the activities of the ultimate parent company or of other companies in the group. The company was not involved in trading during the year and was dormant.

The company's accounts for the year ended 31 December 2011 have been prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union ("EU").

As the company was dormant during the year and future trading is unlikely, no appropriations have been made in the current year and the possibility of such dividends being paid in the future is remote.

The company has net liabilities of £186,000 as at 31 December 2011 (2010 £186,000). The directors consider that sufficient funding will be made available to the company by fellow group undertakings to meet its liabilities as they fall due for the foreseeable future.

Directors

The directors who held office during the year were as follows:

Marion Venman

David Wark

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and Accounts in accordance with applicable laws and International Financial Reporting Standards ("IFRSs") as adopted by the European Union.

The directors are responsible for preparing Accounts for each financial period which give a true and fair view, in accordance with IFRSs, of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those Accounts, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether the Accounts comply with IFRSs, subject to any material departures disclosed and explained in the Accounts and,
- prepare the Accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the Accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Accounts

for the year ended 31 December 2011

1 Basis of preparation of the accounts

The company is required by law to prepare accounts and to deliver them to the Registrar of Companies. The Accounts have been prepared in accordance with International Accounting Standards ("IAS"), International Financial Reporting Standards ("IFRS") and International Finance Reporting Interpretations Committee ("IFRIC") Interpretations (collectively referred to as IFRS), as adopted by the EU as at the date of approval of these Accounts and which are mandatory for the financial year ended 31 December 2011. The Accounts are prepared in accordance with the Accounting Policies set out in Note 2.

The Accounts contain information about Camjar plc as an individual company and do not contain consolidated financial information as the parent of subsidiary companies. The company is exempt under Section 396 of the Companies Act 2006 from the requirement to prepare consolidated Accounts as it and its subsidiary undertakings are included by full consolidation in the consolidated Accounts of the ultimate parent company Iberdrola, S A, a company registered in Spain.

No cash flow statement has been presented as the company is dormant in accordance with section 381 of the Companies Act 2006.

8 Going concern

The Accounts have been prepared on a going concern basis, notwithstanding the fact that the company is dormant and has no foreseeable operational activity. The company's balance sheet shows that it has net current liabilities of £186,000 and net total liabilities of £186,000 at its most recent balance sheet date. The company is ultimately owned by Iberdrola S A and it participates in the Iberdrola group's centralised treasury arrangements and so shares banking facilities with its parent companies and fellow subsidiaries. As a consequence, the company depends, in part, on the ability of the Iberdrola group to continue as a going concern. The directors have considered the company's funding relationship with Iberdrola to date and have considered available relevant information relating to Iberdrola's ability to continue as a going concern. In addition, the directors have no reason to believe that Iberdrola group will not continue to fund the company, should it become necessary, to enable it to continue in operational existence.

The directors are satisfied that, if the Accounts were to be prepared on a break-up basis, no material adjustments would be required to the Accounts.

9 Ultimate parent company

The directors regard Iberdrola, S A to be the ultimate parent company, which is also the parent company of the largest group in which the results of the company are consolidated. The parent company of the smallest group in which the results of the company are consolidated is Scottish Power UK plc.

Copies of the Consolidated Accounts of Iberdrola, S A may be obtained from Iberdrola, S A, Torre Iberdrola, Plaza Euskadi 5, 48009, Bilbao, Spain. Copies of the consolidated Accounts of Scottish Power UK plc may be obtained from the Secretary, Scottish Power Limited, 1 Atlantic Quay, Glasgow G2 8SP.
