The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 June 2010

The members have not required the company to obtain an audit of its financial statements for the year ended 30 June 2010 in accordance with Section 476 of the Companies Act 2006

The directors acknowledge their responsibilities for

D. Eller

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies

The financial statements were approved by the Board of Directors on 19 April 2011 and were signed on its behalf by

W Ellalee - Director

# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2010

#### 1 ACCOUNTING POLICIES

### **Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### Turnover

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business net of value added tax

Where the outcome of a contract can be estimated reliably and it is probable that the contract will be profitable, revenue and cost are recognised over the period of the contract. Where it is probable that total contract costs exceed total revenue, the expected loss is recognised immediately

The company uses the 'percentage of completion method' to determine the appropriate amount to recognise in a given period. The stage of completion is measured by reference to the contract costs incurred up to the balance sheet date as a percentage of the total estimated costs for each contract.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Short leasehold Fixtures and fittings Motor vehicles Over the term of the lease25% on reducing balance

Motor vehicles - 25% on reducing balance Computer equipment - 25% on reducing balance

#### Deferred tax

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted

#### Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate

## Going Concern

The financial statements have been prepared on the going concern basis, which assumes the continued support of the directors and parent company Mayfair Capital Holdings Limited
