Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Company and of the profit, or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Report of the independent auditors to the members of Inspec Finance Limited

We have audited the financial statements on pages 4 to 10.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its profit for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements

1. Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of accounting

The Company's financial statements have been prepared under the historical cost convention in accordance with applicable UK Accounting Standards.

Under Financial Reporting Standard 1 (revised 1996), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent company includes the Company in its own published consolidated financial statements.

As the Company is a wholly owned subsidiary of Degussa AG (a company registered and incorporated in Germany), the Company has taken advantage of the exemption in FRS 8 and has not disclosed transactions or balances with entities which form part of the Group. The consolidated financial statements of Degussa AG, within which this Company is included, can be obtained from Degussa AG, Bennigsenplatz 1, 40474 Düsseldorf.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction or the forward cover rate. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

2. Profit on ordinary activities before taxation

Auditor's remuneration was borne by Degussa UK Holdings Limited, a fellow group company.

3. Directors and employees

The company has no employees (2003: *nil*). All the directors are employees of other Group undertakings and receive no emoluments in respect of services to the Company (2003: *nil*).
