(Shrewsbury House Community Association Objective)

Trustees Report to the members of

Shrewsbury House Community Association Limited Development and achievements this year

In August 2017 Shrewsbury House was in severe financial difficulties, and a new Board of Trustees was appointed. The new Board, working closely with staff, significantly overhauled the operating approach of Shrewsbury House, with the objective to place the community centre on much stronger financial foundations whilst improving the level of service to our users. Progress since then has included:

- Changes to the Memorandum and Articles to enable more effective governance.
- Appointing a new Manager with a broadened remit to develop new business and fundraise.
- Co-opting new Trustees with skill sets and areas of expertise to complement and enhance the current provision, including charity management, change management, fundraising and sponsorship, and education.
- Inviting tenders to secure an external provider for the café service and in-house catering.
- Reviewing and implementing new charges for room and event hire, which are now assessed annually
- Entering an agreement with a charity focusing on individuals recovering from brain injury to establish itself in a number of rooms at Shrewsbury House on a full-time basis.
- Entering an agreement with a Borough-wide community radio station to establish its base and studios at Shrewsbury House, which will result in substantial profiling of Shrewsbury House in on-air promotion.
- Closely reviewing expenditure and reducing costs; which has resulted in a significant improvement in the financial performance of Shrewsbury House over the last two years.
- Conducting ongoing user surveys to identify potential areas for development and to further enhance our offering to users.
- Securing a grant of £20k per year from Greenwich Council for the period from 2019 to 2023.
 We anticipate using these funds to enhance the service we provide to our users whilst achieving our reserves goal.

Financial report

Last year, Shrewsbury House's financial position continued to strengthen. This is a marked improvement from 2 years ago, when the Shrewsbury House entered severe financial difficulties. As a result of the improvements in our financial position, we were able to hold our room charge rates for users at a flat level for the financial year ending March 2020. We review our charges annually, and will endeavour going forward to minimize pricing increases where possible. Last year, we were also pleased to secure funding from Greenwich Council for the period 2019-2023, which provide us with greater clarity on the medium-term outlook for Shrewsbury House.

Going forward, the Board is continuing to target financial surpluses so that financial reserves can be rebuilt to more conservative levels. Our priority remains on working towards placing Shrewsbury House on a sustainable financial setting for the long term, which will allow the centre to continue to provide a benefit to its users, the local community and its valued employees.

Transactions and financial position

The financial position is set out in the Statement of Financial Affairs on page 6.

Tangible fixed assets for use by the charity

Details of movements in fixed assets are set out in note 9 to the accounts.

Trustees Report to the members of

Shrewsbury House Community Association Limited Investment policy and returns

Under the constitution, the charity has the power to make any investment which the trustees see fit. At present, no funds have been invested by the trustees.

Reserves

The charity commission requires charities to determine and explain their policy for free reserves. This has been explained in note 12 to the accounts.

Trustees

The trustees who served during the year are shown on page 1.

Risk management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate any significant risk.

Statement of trustees responsibilities

The trustees are required by law to prepare financial statements for each year which give a true and fair view of the financial activities of the charity and its financial position at the end of the year.

In preparing those financial statements the trustees are required to:

- 1. select suitable accounting policies and apply them consistantly;
- 2. make judgements and estimates that are reasonable and prudent;
- 3. state whether the policies adopted are in accordance with the Charities Act 2011 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements;
- 4. prepare the financial statements on the going concern basis unless it is inappropriate to assume the charity will continue in operation

Independent examiner

A resolution proposing Michael Adamson and Co be re-appointed as independent examiners of the charity was put to the governing body.

The report of the trustees has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP FRS102) issued July 2014

We have examined the financial statements on pages 6 to 15 for the year ended 31 March 2019, which have been prepared under the accounting policies set out on page 9

Respective responsibilities of the trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is our responsibility to:

- * examine the accounts under section 142 of the Charities Act,;
- * to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and

Basis of independent examiner's report

Our examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently we do not express an audit opinion on the veiw given by the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention which indicate that:

- 1) accounting records have not been kept in accordance with section 386 of the Companies Act 2006:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- 3) any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

We are targeting ~£100,000 as a medium term reserves objective, corresponding to approximately 9 months of expenses. To reach our targeted 9 months of surpluses, Shrewsbury House is looking to book surpluses in coming years.

In the opinion of the trustees, 9 months of expenses is a prudent level of reserves to hold, and corresponds to: (a) a minimum of 3 months of expenses to cover costs in the event of a forced closure of the centre: (b) an additional 3 months expenses to cover additional unexpected costs; (c) a further buffer of 3 months expenses to cover revenue shortfalls. Over time we expect Shrewsbury House's cost base to increase as we seek to improve the level of service to users. As this happens, we will increase our medium term target of ~£100,000 to reflect the greater cost base.

The main risks to us achieving our financials reserves target are:

- A very sharp reduction in our grant from Greenwich council.
- Large and unexpected building maintenance costs.
- Existing groups leave the centre and are not replaced by new groups.
- A change in our lease arrangements with Greenwich council, resulting in the Shrewsbury House Community Association taking on more responsibility for the building.
