2 Covenant to Pay

Subject to any limits on its liability specified in the Finance Documents, each Chargor covenants, as primary obligor and not only as surety, with the International Security Agent (for the benefit of itself and the other Secured Parties) that it will pay and discharge each of the Secured Obligations on their due date in accordance with their

respective terms (or if they do not specify a time for payment, promptly on prior written demand of the International Security Agent).

3 Charging Provisions

3.1 Fixed Security

Subject to Clause 3.5 (*Excluded Assets*), each Chargor, as continuing security for the payment of the Secured Obligations, charges in favour of the International Security Agent with full title guarantee the following assets, both present and future, from time to time owned by it or in which it has an interest:

- (a) by way of first fixed charge:
 - (i) all of the Shares and all corresponding Related Rights;
 - (ii) the Bank Accounts and all corresponding Related Rights; and
 - (iii) if not effectively assigned by Clause 3.2 (*Security Assignment*), the Intra-Group Loans and all corresponding Related Rights.

3.2 Security Assignment

Subject to Clause 3.5 (*Excluded Assets*) and as continuing security for the payment of the Secured Obligations, each Chargor assigns absolutely by way of security with full title guarantee to the International Security Agent all its right, title and interest from time to time in and to the Intra-Group Loans and all Related Rights, provided that on payment and discharge in full of the Secured Obligations the International Security Agent will re-assign the relevant Intra-Group Loans to that Chargor (or as it shall direct) promptly.

3.3 Floating Charge

- (a) Subject to Clause 3.5 (*Excluded Assets*), as further continuing security for the full payment of the Secured Obligations, each Chargor charges with full title guarantee in favour of the International Security Agent (for the benefit of itself and the other Secured Parties) by way of first floating charge all its present and future assets, undertakings and rights including if not effectively charged under Clause 3.1 (*Fixed Security*).
- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created pursuant to this Clause 3.3.

3.4 Conversion of a Floating Charge

- (a) The International Security Agent may, by prior written notice to the Company, convert the floating charge created under this Deed or a Security Accession Deed into a fixed charge with immediate effect as regards those assets which it specifies in the notice, if:
 - (i) a Declared Default has occurred and is continuing; or

- (ii) it is necessary to do so in order to protect the priority of the Security created in favour of the International Security Agent under this Deed over any assets, where a Chargor creates or purports to create Security over such assets, save where the relevant Chargor is not prohibited from creating such Security under the Finance Documents or where the International Security Agent has given prior written consent.
- (b) The floating charge created under this Deed or a Security Accession Deed will automatically (without notice) and immediately be converted into a fixed charge over any asset charged under the floating charge created under this Deed if:
 - (i) any Chargor creates (or purports to create) any Security over such asset, other than to the extent not prohibited by the Finance Documents or where Required Creditor Consent has been obtained or with the prior consent of the International Security Agent; or
 - (ii) a Chargor is or is deemed to be or is declared for the purposes of any applicable law to be, unable to or admits its inability to pay its debts as they fall due, suspends making payments on any of its debts or, by reason of actual or anticipated financial difficulties, commences negotiations with its creditors generally or any class of them (other than the Secured Parties) for the rescheduling any of its financial indebtedness.
- (c) The obtaining of a moratorium under section 1A of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing any floating charge created by this Deed to crystallise or causing restrictions which would not otherwise apply to be imposed as the disposal or property by any Chargor or a ground for the appointment of the Receiver.

3.5 Excluded Assets

- (a) Unless otherwise expressly agreed in writing between the relevant Chargor and the International Security Agent after the date on which it becomes a party to this Deed, there shall be excluded from the relevant Security created by this Clause 3 (*Charging Provisions*), from the other provisions of this Deed and from the operation of any further assurance provisions contained in the Finance Documents:
 - (i) any asset or undertaking which a Chargor is at any time prohibited (whether conditionally or unconditionally) from creating the relevant Security on or over by reason of any contract, licence, lease, instrument or other arrangement with a third party (including any asset or undertaking which a Chargor is precluded from creating the relevant Security on or over without the prior consent of a third party), in each case to the extent of that prohibition and for so long as such prohibition is in existence or until consent has been received from the third party;

- (ii) any asset or undertaking which, if subject to any of the relevant Security or the provisions of this Deed, would give a third party the right to terminate or otherwise amend any rights, benefits and/or obligations of any member of the Group in respect of that asset or undertaking or require any member of the Group to take any action materially adverse to the interests of the Group or any member thereof, in each case to the extent of that right and for so long as such right is in existence or until a waiver of the relevant term has been received from the third party;
- (iii) any asset or undertaking situated outside England and Wales;
- (iv) any Shares in a joint venture (or other minority interest investment) or any member of the Group which is not wholly owned by another member of the Group, or any member of the Group which is not a Material Company or an Obligor; and
- (v) any asset or undertaking subject to security in favour of a third party (provided such security is permitted or not prohibited under the Security Documents) or any cash constituting regulatory capital or customer cash,

provided that, in the case of paragraphs (i), (ii) and (v) above, (A) any such prohibition or right to terminate or security was not included at the request of or otherwise procured by the relevant Chargor or any other member of the Group following the date of this Deed (or as the case may be, the date of such Chargor's execution of a Security Accession Deed (as applicable)) with the purpose of excluding that asset from the Security created by this Clause 3 (*Charging Provisions*), (B) in the case of paragraphs (i) and (ii), each relevant Chargor shall use reasonable endeavours to obtain consent to charging any asset (where otherwise prohibited) if the International Security Agent specifies prior to the date of this Deed or as the case may be, the date of such Chargor's execution of a Security Accession Deed (as applicable) that the asset is material and the Obligors' Agent is satisfied that such endeavours will not involve placing relationships with third parties in jeopardy, *provided that*, if the relevant Chargor has not been able to obtain such consent, any obligation to comply with this paragraph (B) shall cease after twenty (20) Business Days, and (C) and if such prohibition or right to terminate is irrevocably and unconditionally waived or otherwise ceases to apply, the Chargor agrees, to take all steps required pursuant to section 5.11 (*Security Interests; Further Assurances*) of the Initial First Lien Credit Agreement (or the equivalent provision in any other Finance Document) such that the relevant asset is thereafter included in the relevant Security created by this Clause 3 (*Charging Provisions*), but otherwise continuing to be subject to Clause 3.5 (*Excluded Assets*).

- (b) If at any time a Chargor notifies the International Security Agent that an asset being subject to the Security created by this Clause 3 or any other provision of this Deed has a material adverse effect on the ability of the relevant member of the Group to conduct its operations and business as otherwise not prohibited by the Finance Documents or is otherwise excluded at that time by virtue of

this Clause 3.5, the International Security Agent shall promptly enter into such documentation as is required by that Chargor in order to release that asset from the Security created by this Clause 3 and the other provisions of this Deed, provided that any reasonable and documented out-of-pocket costs and expenses incurred by or on behalf of the International Security Agent in accordance with the Finance Documents entering into such documentation at the request of such Chargor pursuant to this Clause 3.5 shall be for the account of such Chargor. The International Security Agent is entitled to rely absolutely and without any further investigation on any such notification from a Chargor and is irrevocably authorized by each Secured Party to enter into such documentation.

4 Representations and Warranties

4.3 PSC

- (a) Each Chargor has complied with any notice it has received from any member of the Group pursuant to Part 21A of the Companies Act 2006 (including any timeframe specified in such notice) in respect of which it holds shares charged pursuant to this Deed or, as the case may be, the Security Accession Deed.

- (b) Each Chargor shall, prior to the occurrence of a Declared Default which is continuing, be entitled to receive, withdraw or otherwise deal with or transfer any credit balance from time to time on any Bank Account and shall be

entitled to deal with such Bank Account in any manner not prohibited by the Finance Documents including where the Required Creditor Consent has been obtained.

- (c) Following the occurrence of a Declared Default which is continuing, at any time when there are Secured Obligations outstanding, no Chargor shall be entitled to receive, withdraw or otherwise deal with or transfer any credit balance from time to time on any Bank Account except with the prior consent of the International Security Agent.
- (d) The International Security Agent shall, following the occurrence of a Declared Default which is continuing, at any time when there are Secured Obligations outstanding, be entitled without notice to apply, transfer or set-off any or all of the credit balances from time to time on any Bank Account in or towards the payment or other satisfaction of all or part of the Secured Obligations in accordance with Clause 10 (*Application of Proceeds*).

 - (i) each Chargor shall be entitled to receive and retain all dividends, distributions and other monies paid or payable on or derived from its Shares; and
 - (ii) each Chargor shall be entitled to take all steps and exercise (or refrain from exercising) all rights, powers and discretion (including voting rights) attaching to its Shares and to deal with, receive, own and retain all assets and proceeds in relation thereto without restriction or condition provided that it shall not exercise any such voting rights or powers in a manner which would materially adversely affect the validity or enforceability of the Security over the Shares or cause an Event of Default to occur.
- (b) The International Security Agent may, at its discretion, following the occurrence of a Declared Default which is continuing, (in the name of a Chargor or otherwise and without any further consent or authority from any Chargor):
 - (i) exercise (or refrain from exercising) any voting rights in respect of any Shares (unless the International Security Agent has notified the relevant Chargor in writing that it wishes to give up this right);
 - (ii) apply all dividends, interest and other monies arising from any Shares in accordance with Clause 10 (*Application of Proceeds*);
 - (iii) transfer any Shares into the name of such nominee(s) of the International Security Agent as it shall require; and
 - (iv) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of any Shares (unless

the International Security Agent has notified the relevant Chargor in writing that it wishes to give up this right),

in such manner and on such terms as is consistent with the Finance Documents, and the proceeds of any such action shall form part of the Charged Property.

7 Continuing Security

7.1 Continuing Security

This Security constituted by this Deed shall remain in full force and effect as a continuing security for the Secured Obligations notwithstanding any intermediate payment, discharge, satisfaction or settlement of all or any part of the Secured Obligations or any other act, matter or thing.

7.2 Other Security

This Security constituted by this Deed is to be cumulative, in addition to and independent of, and shall neither be merged into nor in any way exclude or prejudice or be affected by, any other Security or other right which the International Security Agent and/or any other Secured Party may now or after the date of this Deed or the date of a Security Accession Deed hold for any of the Secured Obligations and this Security may be enforced against each Chargor without first having recourse to any other rights of the International Security Agent or any other Secured Party.

7.3 Negative Pledge

Each Chargor undertakes that it will not create or agree to create or permit to subsist any Security on or over the whole or any part of its undertaking or assets (present or future) except for the creation of Security or other transactions not prohibited under the Finance Documents or in respect of which Required Creditor Consent has been obtained.

8 Enforcement of Security

8.1 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due, in respect of the Initial Chargors, on the date of this Deed, and, in respect of other Chargors, on the date of execution of the Security Accession Deed (the “Relevant Date”). The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this Deed shall arise on the Relevant Date and shall be immediately exercisable at any time after a Declared Default has occurred and is continuing when the International Security Agent may, without notice to the relevant Chargor or prior authorisation from any court, in its absolute discretion, but at all times in accordance with the terms of the Finance Documents and the Intercreditor Agreement, enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of the Charged Property.

8.2 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Deed, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Deed, those contained in this Deed shall prevail.

8.3 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Deed, and all or any of the rights and powers conferred by this Deed on a Receiver (whether expressly or impliedly), may be exercised by the International Security Agent without further notice to any Chargor at any time after a Declared Default has occurred and is continuing, irrespective of whether the International Security Agent has taken possession or appointed a Receiver of the Charged Property.

8.4 Right of Appropriation

- (a) To the extent that any of the Charged Property constitutes “financial collateral” and this Deed and the obligations of the Chargors hereunder constitute a “security financial collateral arrangement” (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) as amended (the “**Regulations**”)), the International Security Agent shall upon giving prior written notice to the relevant Chargor at any time following the occurrence of a Declared Default which is continuing have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be (a) in the case of cash, the amount standing to the credit of each of the Bank Accounts, together with any accrued but unposted interest, at the time the right of appropriation is exercised, (b) in the case of Shares, the market price of such Shares determined by the International Security Agent (acting commercially reasonably) by reference to a public index or by a fair valuation opinion provided by an independent reputable, internationally recognised third party firm of professional advisors and (c) in the case of any

other asset, as determined by section 6.1 of the Intercreditor Agreement. In each case, the parties agree that the method of valuation provided for in this Deed shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

- (b) Where the International Security Agent exercises its rights of appropriation and the value of the financial collateral appropriated in accordance with this Clause 8.4 differs from the amount of the Secured Obligations, either (i) the International Security Agent must account to the relevant Chargor promptly upon the determination of such value for the amount by which the value of the appropriated financial collateral exceeds the Secured Obligations, or (ii) the relevant Chargor will remain liable to the Secured Parties for any amount by which the value of the appropriate financial collateral is less than the Secured Obligations.

9 Receivers

9.1 Appointment of Receiver or Administrator

- (a) Subject to paragraph (c) below, at any time after a Declared Default has occurred and is continuing, or if so requested by the relevant Chargor, the International Security Agent may by writing under hand signed by any officer or manager of the International Security Agent, appoint:
 - (i) any person (or persons) to be a Receiver of all or any part of the Charged Property;
 - (ii) appoint two or more Receivers of separate parts of the Charged Property;
 - (iii) remove (so far as it is lawfully able) any Receiver so appointed;
 - (iv) appoint another person(s) as an additional or replacement Receiver(s);
or
 - (v) appoint one or more persons to be an administrator of the relevant Chargor.

9.2 Powers of Receiver

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of any Chargor) have and be entitled to exercise, in relation to the Charged Property (and any assets of any Chargor which, when got in, would be Charged Property) in respect of which he was appointed, and as varied and extended by the provisions of this Deed (in the name of or on behalf of

the relevant Chargor or in his own name and, in each case, at the cost of that Chargor);

- (a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;
- (b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);
- (c) all the powers and rights of an absolute owner and power to do or omit to do anything which the relevant Chargor itself could do or omit to do; and
- (d) the power to do all things (including bringing or defending proceedings in the name or on behalf of the relevant Chargor) which seem to the Receiver to be incidental or conducive to (i) any of the functions, powers, authorities or discretions conferred on or vested in him or (ii) the exercise of all rights, powers and remedies of the International Security Agent under this Deed (including realisation of all or any part of the Charged Property) or (iii) bringing to his hands any assets of the relevant Chargor forming part of, or which when obtained would be, Charged Property.

9.3 Receiver as Agent

Each Receiver appointed under this Deed shall be the agent of the relevant Chargor, which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The International Security Agent will not be responsible for any misconduct, negligence or default of a Receiver.

9.4 Removal of Receiver

The International Security Agent may by prior written notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

9.5 Remuneration of Receiver

The International Security Agent may from time to time fix the remuneration of any Receiver appointed by it.

9.6 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Deed (unless the document appointing such Receiver states otherwise).

10 Application of Proceeds

10.1 Order of Application

All moneys received or recovered by the International Security Agent or any Receiver pursuant to this Deed shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified by the Intercreditor Agreement notwithstanding any purported appropriation by any Chargor.

10.2 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Deed.

10.3 Application against Secured Obligations

Subject to Clause 10.1 (*Order of Application*) above, any moneys or other value received or realised by the International Security Agent from a Chargor or a Receiver under this Deed may be applied by the International Security Agent to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the International Security Agent may determine.

11 Protection of International Security Agent and Receiver

11.1 No Liability

Neither the International Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful misconduct.

11.2 Insurance Proceeds

If a Declared Default has occurred and is continuing, all moneys received by virtue of any insurance maintained or effected in respect of the Charged Property shall be paid to the International Security Agent (or, if not paid by the insurers directly to the International Security Agent, shall be held on trust for the International Security Agent) and shall, at the option of the International Security Agent, be applied in replacing or reinstating the assets destroyed, damaged or lost or in reduction of the Secured Obligations.

11.3 Possession of Charged Property

Without prejudice to Clause 11.1 (*No Liability*) above, if the International Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession in respect of all or any part of the Charged Property or be liable for any loss upon realisation or for any neglect, default or omission in connection with the Charged Property to which a mortgagee or mortgagee in possession might otherwise be liable and may at any time at its discretion go out of such possession.

11.4 Delegation

Without prejudice to the rights to and limitations or delegation by the International Security Agent permitted under the Finance Documents and the Intercreditor

Agreement, following the occurrence of a Declared Default which is continuing and subject to the terms of the Finance Documents and the Intercreditor Agreement, the International Security Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Deed to any person or persons upon such terms and conditions (including the power to sub delegate) as it may reasonably and in good faith think fit and the International Security Agent may, subject to the terms of the Finance Documents and the Intercreditor Agreement, pass confidential information to any such delegate. The International Security Agent will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

11.5 Cumulative Powers

The powers which this Deed confers on the International Security Agent, the other Secured Parties and any Receiver appointed under this Deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The International Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the International Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

12 Power of Attorney

Each Chargor, by way of security, on the date of this Deed (or, as the case may be, the date of its execution of a Security Accession Deed), irrevocably and severally appoints the International Security Agent, each Receiver and any person nominated for the purpose by the International Security Agent or any Receiver as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed at any time after the occurrence of a Declared Default which is continuing to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it is expressly required to execute and do under the terms of this Deed, and which it has not done within a reasonable period of time or which may be required to enable the exercise of any rights or powers conferred on the International Security Agent or any Receiver under this Deed or by law or otherwise for any of the purposes of this Deed, and each Chargor covenants with the International Security Agent and each Receiver to ratify and confirm all such acts or things made, done or executed (or purported to be made, done or executed) by that attorney.

13 Protection for Third Parties

13.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the International Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the International Security Agent or any Receiver to exercise any of the powers conferred by this Deed has arisen or become exercisable or as to

the propriety or validity of the exercise or purported exercise of any such powers; or

- (b) any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

13.2 Receipt Conclusive

The receipt of the International Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the International Security Agent or any Receiver.

14 Deferral of Chargor rights

Until such time as the Secured Obligations have been discharged in full, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Deed:

- (a) to be indemnified by any Obligor;
- (b) to claim any contribution from any guarantor of any Obligor's obligations under this Deed; and/or

to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents, the Intercreditor Agreement, the Subordination Agreement or of any other guarantee or Security taken pursuant to, or in connection with, this Deed by any Secured Parties.

15 Discharge Conditional

If any settlement, discharge or release is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Chargor under this Deed will continue or be reinstated as if the settlement, discharge or release had not occurred and any Security the subject of the discharge will continue or be reinstated as if that settlement, discharge or release had not occurred.

16 Covenant to Release

Once all the Secured Obligations have been irrevocably paid in full and none of the International Security Agent nor any other Secured Party has any actual or contingent liability to advance further monies to or incur any liability on behalf of any Chargor or any other Obligor under the Finance Documents, the International Security Agent shall, at the request and cost of any Chargor, promptly take any action including executing and delivering all documents and instruments (including any termination or release letter or deed), revoking any powers of attorney and performing all acts or deeds (including returning title documents, share certificates, related stock transfer forms and any other document belonging to the Chargors) which are, in each case,

necessary or otherwise requested by the Chargors (acting reasonably) to release or re-assign the Charged Property from the Security constituted by this Deed.

17 Set-Off

The International Security Agent may, to the extent permitted under the Finance Documents at any time while a Declared Default is continuing, set off any matured obligation due from a Chargor under the Finance Documents (to the extent beneficially owned by the International Security Agent) against any matured obligation owed by the International Security Agent to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the International Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off.

18 Ruling Off

If the International Security Agent or any other Secured Party receives notice or is deemed to have received notice of any subsequent Security or other interest affecting all or any part of the Charged Property or any assignment or transfer of the Charged Property (in each case, except as permitted by the Finance Documents or where the Required Creditor Consent has been obtained) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice in writing to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by or on behalf of the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations as at the time the relevant notice was received or deemed to have been received.

19 Redemption of Prior Charges

The International Security Agent may, at any time after a Declared Default has occurred and is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will, upon a demand made in writing to it, pay to the International Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

20 Changes to Parties

20.1 Assignment by the International Security Agent

The International Security Agent may at any time assign or otherwise transfer all or any part of its rights and obligations under this Deed in accordance with the Finance Documents and the Intercreditor Agreement. Subject to the terms of the Finance Documents and the Intercreditor Agreement, the International Security Agent shall be entitled to disclose such information concerning each Chargor and this Deed as the International Security Agent considers appropriate to any actual or proposed direct or

indirect successor or to any person to whom information may be required to be disclosed by any applicable law. None of the rights and obligations of any Chargor under this Deed shall be capable of being assigned or transferred.

20.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under Schedule 7 (*Amendments and Waivers: Security Documents*) of the Intercreditor Agreement and authorises the International Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

20.3 Consent of Chargors

Each Chargor consents to other members of the Group becoming Chargors by way of execution of a Security Accession Deed and irrevocably appoints the Company as its agent for the purpose of executing any Security Accession Deed on its behalf.

21 Miscellaneous

21.1 Certificates Conclusive

A certificate or determination of the International Security Agent as to any amount payable under this Deed will be conclusive and binding on each Chargor, except in the case of manifest error.

21.2 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

21.3 Invalidity of any Provision

If any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

21.4 Failure to Execute

Failure by one or more parties ("**Non Signatories**") to execute this Deed on the date hereof or the date of the Security Accession Deed will not invalidate the provisions of this Deed as between the other parties who do execute this Deed. Such Non Signatories may execute this Deed on a subsequent date and will thereupon become bound by its provisions.

22 Governing Law and Jurisdiction

22.1 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

22.2 Jurisdiction

Subject to Clause 22.4 (*Exclusive Jurisdiction*) below the courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or the consequences of its nullity or any non-contractual obligation arising out of or in connection with this Deed (a “**Dispute**”)).

22.3 Convenient Forum

The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes between them and, accordingly, that they will not argue to the contrary.

22.4 Exclusive Jurisdiction

This Clause 22 (*Governing Law and Jurisdiction*) is for the benefit of the International Security Agent only. As a result and notwithstanding Clause 22.2 (*Jurisdiction*) and Clause 22.3 (*Convenient Forum*), it does not prevent the International Security Agent from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the International Security Agent may take concurrent proceedings in any number of jurisdictions.

In witness whereof this Deed has been duly executed as a deed and is delivered on the date first above written.
