1 Accounting Policies

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pension Costs

The company operates a defined contribution pension scheme for the benefit of its directors/and employees. Contributions payable are charged to the profit and loss account in the period in which they are payable.

Dividends

Proposed dividends are only included as liabilities in the financial statements when their payment has been approved by the shareholders prior to the balance sheet date.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures and Office Equipment	20% - 50% Straight line
-------------------------------	-------------------------

Fixed asset investments

Fixed asset investments are stated at cost less provision for any permanent diminution in value.

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.
