20. Discharge of Security Interest

20.1 Subject to clause 20.2 of these Master Security Terms, at the end of the Security Period the Security Trustee shall at the request and cost of the Collateral Provider, take whatever action is necessary to release the Posted Collateral from the Collateral Provider Security Interests created by or expressed to be created by the Security Deed. Upon such release, the Collateral Provider is released from all its obligations and liabilities under the Security Deed and the Security Trustee will, if requested, be obliged to instruct the Non-Triparty Custodian and/or the Triparty Custodian to consent to release all Posted Collateral to the Collateral Provider or to its order.

20.2 If the Security Trustee considers that any amount paid or credited to it under the Transaction Documents is capable of being avoided or otherwise set aside on the winding-up or dissolution of the Collateral Provider or any other person, or otherwise, that amount shall not be considered to have been paid for the purposes of determining whether all the Obligations, where the Multiple Series Required Fixed Value Collateral Structure applies, up to, and including, the Aggregate Secured Amount, have been fully discharged or irrevocably paid.

- 20.3 If any amount of Posted Collateral is to be transferred by the Security Trustee, or the Non-Triparty Custodian and/or the Triparty Custodian, to the Collateral Provider pursuant to any of the Transaction Documents, the Security Trustee hereby undertakes to release, and shall be deemed to have released, such amount of Posted Collateral from the Collateral Provider Security Interests granted under the Security Deed on the date of the relevant transfer to the Collateral Provider to the intent that such amount of Posted Collateral may be paid or delivered to the Collateral Provider.

21. **Consolidation**

Section 93 of the LPA shall not apply to the Collateral Provider Security Interests.

22. **Remuneration and indemnification**

22.1 **Normal remuneration**

The Collateral Provider will pay the Security Trustee such remuneration (together with any applicable VAT) for its services as the Security Trustee and the Collateral Provider may from time to time agree. All remuneration payable to the Security Trustee shall carry interest from the due date therefor.

22.2 **Extra remuneration**

If an Enforcement Event occurs, the Collateral Provider hereby agrees that the Security Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time. In any other case, if the Security Trustee is obliged or is requested by the Collateral Provider to undertake duties they both agree to be outside the scope of the Security Trustee's normal duties under the Security Deed, the Collateral Provider will pay such additional remuneration as they may agree. The parties may agree (at the Collateral Provider's expense) to appoint a financial institution or person (acting as an expert) selected by the Security Trustee and approved by the Collateral Provider or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales in the event of disagreement as to remuneration under clauses 22.1 or 22.2 and such financial institution's or person's, as the case may be, determination will be conclusive and binding.

22.3 **Expenses**

The Collateral Provider will also pay all expenses, costs, charges, liabilities and taxes properly incurred by the Security Trustee in connection with the preparation of the Security Deed, the performance of its functions in relation to the Security Deed and the other Transaction Documents and any legal proceedings brought or contemplated by the Security Trustee against the Collateral Provider to enforce any provision of the Security Deed.

Such expenses, costs, charges, liabilities and taxes will:

- 22.3.1 in the case of payments made by the Security Trustee before such demand, carry interest on the outstanding amount for the period from the date of the demand to the date of payment at a rate of 2 per cent. per annum over the base rate from time to time of National Westminster Bank PLC for such time as such amount remains outstanding; and
- 22.3.2 in other cases, carry interest at such rate on the outstanding amount for the period from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date to the date of payment.

22.4 Indemnity

The Collateral Provider will, on demand, indemnify the Security Trustee and its Appointees in respect of all costs, charges, fees, remuneration, losses, expenses, taxes and liabilities incurred by it and any claims, demands or actions brought or made against it (in each case, other than in respect of its or its Appointee's negligence, wilful default or fraud) and, in each case, arising in respect of the Security Trustee's or its Appointees' appointment or the performance of its functions herein, including, without limiting the generality of the foregoing, in respect of any expenses incurred in the realisation of any Posted Collateral, or those of its Appointees. The Contracts (Rights of Third Parties) Act 1999 applies to this clause 22.4.

In addition, the Security Trustee (and any Appointee) and any receiver of the Posted Collateral shall be entitled to be indemnified out of the Posted Collateral in respect thereof save where the same arises as the result of the negligence, wilful default or fraud by the Security Trustee (or, in relation to any Appointee, the relevant Appointee). Following the occurrence of an Enforcement Event, the Security Trustee may retain any part of any moneys in its hands arising from the trusts of the Security Deed necessary to effect any indemnity and also to meet the remuneration of the Security Trustee hereinbefore provided and the Security Trustee shall have a lien on the Posted Collateral for all moneys payable to it under the Security Deed or howsoever otherwise. The Security Trustee shall not be entitled to be paid twice in respect of the same matter pursuant to this clause 22.4.

22.5 Continuing effect

Clauses 22.3 and 22.4 will continue in full force and effect as regards the Security Trustee even if it no longer is the Security Trustee.

22.6 Professional charges

Any Security Trustee appointed pursuant to clause 33, being a banker, lawyer, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his partner or firm on matters arising in connection with the trusts constituted by the Security Deed or otherwise under or pursuant to the Security Deed and also his properly incurred charges in addition to disbursements for all other work and business done and all time spent by him or his partner or firm on matters arising in connection with the Security Deed or any other Transaction Document, including matters which might or should have been attended to in person by a Security Trustee not being a banker, lawyer, broker or other professional person.

23. Payments

All payments by the Collateral Provider under the Security Deed (including damages for its breach) shall be made in the currency or currencies of the Obligations to such account(s) with such financial institution(s) and in such other manner as the Security Trustee may direct.

The Collateral Provider undertakes to pay moneys payable by it to the Security Trustee under the Security Deed without set-off, counterclaim, deduction or withholding, unless otherwise compelled by law and in the event of any deduction or withholding compelled by law, to pay such additional amount as will result in the payment to the Security Trustee of the amount which would otherwise have been payable by it to the Security Trustee pursuant to the Security Deed.

24. Rights, amendments and waivers

24.1 Ambiguity

Where there is any ambiguity or conflict between the rights conferred by law and those conferred by or pursuant to the Security Deed, the terms of the Security Deed shall prevail.

24.2 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Security Trustee any right or remedy under the Security Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Security Deed are cumulative and not exclusive of any rights or remedies provided by law.

24.3 Amendments and waivers

24.3.1 Any term of the Security Deed may be amended or waived only with the prior written consent of the Issuer, the Security Trustee (subject to sub-clause 24.3.3 below, if directed by a Relevant Holders' Resolution) and the Collateral Provider.

24.3.2 Any term of the Non-Triparty Custody Agreement, the Collateral Monitoring Agreement or the Triparty Account Control Agreement, may be amended or waived only with the prior written consent of the Security Trustee (subject to clause 24.3.3 below, if directed by a Relevant Holders' Resolution).

24.3.3 If the Collateral Provider provides to the Security Trustee a certificate in writing signed by two authorised signatories (on which certificate the Security Trustee shall be entitled to rely without further investigation or assessment on the merits or substance thereof and without liability to any person), that a modification to the Security Deed or any other Transaction Document to which the Security Trustee is a party is:

- (a) necessary in order to implement, or as a consequence of, a modification to the Securities (including the Conditions) or the Agency Agreement pursuant to Condition 28.1(a) or a substitution of the Issuer in accordance with the Conditions; or
- (b) of a formal, minor or technical nature or to comply with mandatory provisions of law; or
- (c) necessary to correct a manifest or proven error; or
- (d) not materially prejudicial to the Relevant Holders' interests,

then the Issuer shall be entitled to, and the Security Trustee shall (at the expense of the Issuer) be obliged to, concur in effecting such modification, provided that (a) the Security Trustee shall not be obliged to so concur if, in the opinion of the Security Trustee, doing so would impose more onerous obligations, responsibilities or duties upon it or expose it to further liabilities or reduce its protections and (b) the Security Deed, the other Transaction Documents and the Conditions provide at least the same powers, protections, rights and benefits to the Security Trustee following the implementation of the relevant modifications as they provided to the Security Trustee prior to the implementation of such modifications, mutatis mutandis.

24.4 **Tax**

Notwithstanding any other provision of the Security Deed, the Security Trustee shall be entitled to make a deduction or withholding from any payment which it makes pursuant to the Security Deed for or on account of any tax, if and only to the extent so required by applicable law, in which event the Security Trustee shall make such payment after such deduction or withholding has been made and shall account to the relevant tax authority within the time allowed for the amount so deducted or withheld or, at its option, shall as soon as reasonably practicable after making such payment return to the Collateral Provider the amount so deducted or withheld, in which case, the Collateral Provider shall so account to the relevant tax authority for such amount. The Security Trustee shall have no responsibility whatsoever to the Collateral Provider, any Relevant Holder or any other secured creditor as regards any deficiency which might arise because the Security Trustee is subject to any tax, stamp duties, documentary or other fees in respect of the Security created by or pursuant to the Security Deed the income therefrom or the proceeds thereof.

24.5 **Monitoring**

The Security Trustee shall not be responsible for monitoring or supervising the performance by any other person under the Security Deed or any other Transaction Document or document relating to the transactions herein or therein contemplated of their respective functions, duties and obligations under the Transaction Documents or otherwise. The Security Trustee shall not be liable to any person for any loss occasioned by any act or omission of any such other person.

24.6 **Enforcement Event**

The Security Trustee shall not be bound to give notice to any person of the execution of any documents comprised or referred to in the Transaction Documents or to take any steps to ascertain whether any Enforcement Event has happened or occurred and, until it shall have actual knowledge or express notice in writing to the contrary, the Security Trustee shall be entitled to assume that no Enforcement Event has occurred and that each of the other parties is observing and performing all its obligations under the Transaction Documents and no event has occurred as a consequence of which any of the Securities may become payable.

24.7 **Certificates**

The Security Trustee shall be entitled to request from the Collateral Provider and/or the Issuer and to accept as sufficient evidence of any fact or matter or the expediency of any transaction or thing which is prima facie within the knowledge of the Collateral Provider or the Issuer (as applicable) a certificate signed by any two directors or authorised signatories of the Collateral Provider or the Issuer (as applicable) and the Security Trustee shall not be bound in any such case to call for further evidence or be responsible for any loss or damage that may be occasioned by it or any other person acting on such certificate.

24.8 **Holder deemed absolute owner**

The Security Trustee may deem and treat the holder of any Securities as the absolute owner of such Securities (whether or not such Securities shall be overdue and notwithstanding any notation or notice of ownership or writing thereon or any notice of previous loss or theft) for all purposes. Except as ordered by a court of competent jurisdiction or as required by applicable law, the Security Trustee shall not be affected by any notice to the contrary.

The Security Trustee may call for and shall be at liberty to accept and place full reliance on as sufficient evidence thereof a certificate or letter or confirmation signed on behalf of

Euroclear or Clearstream, Luxembourg or any other relevant clearing system, as the case may be, or any form of record made by either of them to the effect that at any particular time or throughout any particular period any particular person is, was or will be, shown in its records as entitled to a particular interest in the relevant Securities.

24.9 Security Trustee may enter into financial transactions

No director or officer of the Security Trustee shall be in any way precluded from making any contracts or entering into any transactions in the ordinary course of business with the Collateral Provider or any other party to any Transaction Document or any person or body corporate directly or indirectly associated with the Collateral Provider or such other party, or from accepting the security trusteeship of any other debenture stock, debentures or securities of the Collateral Provider or such other party or any person or body corporate directly or indirectly associated with the Collateral Provider or such other party. Neither the Security Trustee nor any director or officer of any corporation being a Security Trustee shall be accountable to the Relevant Holders, the Collateral Provider or any other party to any Transaction Document or any person or body corporate directly or indirectly associated with the Collateral Provider or any such other party to any Transaction Document for any profit, fees, commissions, interest, discounts or share of brokerage earned, arising or resulting from any such contracts or transaction and the Security Trustee and any such director or officer shall also be at liberty to retain the same for its or his own benefit.

24.10 Reliance

The Security Trustee may accept without investigation, requisition or objection such right and title as the Collateral Provider may have to any of the Posted Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Collateral Provider to all or any of the Posted Collateral whether such defect or failure was known to the Security Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.

The Security Trustee shall not be liable for in respect of any action taken or omitted to be taken or anything suffered by it in relation to any notice, direction, consent, certificate, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper parties.

The Security Trustee shall not be liable for any losses incurred or sustained by the Issuer or the Collateral Provider (as applicable) arising from acting upon such notice, instruction or other communication. The Security Trustee has no duty or obligation to verify or confirm that the person who sent such notice, instruction or other communication is, in fact, a person authorised to give such notice, instruction or other communication on behalf of the Issuer or the Collateral Provider (as applicable).

24.11 Registration, perfection and adequacy

The Security Trustee shall not be liable for any failure, omission or defect in perfecting, protecting or further assuring the Collateral Provider Security Interests including:

- 24.11.1 any failure, omission or defect in registering or filing or procuring registration or filing of, or otherwise protecting or perfecting the Collateral Provider Security Interests or the priority thereof or the right or title of any person in or to the assets comprised in the Collateral Provider Security Interests;
- 24.11.2 any failure or omission to require any further assurances in relation to the Collateral Provider Security Interests; and
- 24.11.3 the Security Trustee shall not be responsible for any unsuitability, inadequacy or unfitness of any of the Collateral Provider Security Interests

as security and shall not be obliged to make any investigation into, and shall be entitled to assume, the suitability, adequacy and fitness of the Collateral Provider Security Interests as security.

24.12 No responsibility for Collateral Provider Security Interests

The Security Trustee shall not be responsible for any liability occasioned to the Collateral Provider Security Interests however caused, whether by an act or omission of the Collateral Provider or any other party to the Transaction Documents or any other person (including any bank, broker, depositary, or other intermediary or any clearing system or operator thereof) acting in accordance with or contrary to the provisions of any of the Transaction Documents or otherwise and irrespective of whether the Collateral Provider Security Interests are held by or to the order of any such persons, nor shall the Security Trustee be responsible for any proceeds of realisation upon enforcement.

24.13 No liability for loss

The Security Trustee will not be liable for any decline in the value nor any loss realised upon any sale or other disposition pursuant to the Security Deed or the Transaction Documents of any of the Posted Collateral, save for where the same arises as the result of the negligence, wilful default or fraud of the Security Trustee or its officers or employees. In particular and without limitation, the Security Trustee shall not be liable for any such decline or loss directly or indirectly arising from its acting or failing to act as a consequence of an opinion reached by it in good faith based on advice received by it from any lawyer, valuer, accountant (including auditors), surveyor, banker, broker, auctioneer or other expert (each an **Expert**) (provided that, if the Security Trustee appointed such Expert, the Security Trustee exercised reasonable care in the selection, retention and use of such Expert).

24.14 No insurance

The Security Trustee shall not be obliged to insure or maintain insurance over any of the Posted Collateral or any deeds or documents of title or other evidence in respect of Collateral Provider Security Interests or the Posted Collateral or to require any other person to maintain any such insurance or monitor the adequacy of any such insurance and shall not be responsible for any liability which may be suffered by any person as a result of the lack of or inadequacy for any such insurance.

24.15 FSMA

Notwithstanding anything in the Security Deed or any other Transaction Document to the contrary, the Security Trustee shall not do, or be authorised or required to do, anything which might constitute a regulated activity for the purposes of the Financial Services and Markets Act 2000 (**FSMA**), unless it is authorised to do so under FSMA.

24.16 Legal opinions

The Security Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Securities, Collateral Provider Security Interests or any Transaction Document or any search, report, certificate, advice, valuation, investigation or information relating to any Transaction Document, any transaction contemplated by any Transaction Document, any party to any Transaction Document or any of such party's assets or liabilities or for checking or commenting upon the content of any such legal opinion, search, report, certificate, advice, valuation, investigation or information or for ensuring disclosure to the Relevant Holders of such content or any part of it or for determining the acceptability of such content or any part of it or for determining the acceptability of such content or any part of it to any Relevant Holder and shall not be responsible for any liability incurred thereby.

24.17 Advice

The Security Trustee may obtain (at the cost of the Collateral Provider) and may rely on the opinion, report or advice of, or a certificate or any information obtained from, any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant (including the auditors) or other expert (whether obtained by the Security Trustee, the Collateral Provider or any other Secured Party or otherwise), whether or not addressed to the Security Trustee, and whether or not the opinion, report, advice, certificate or information, or any engagement letter or other related document, contains a monetary or other limit on liability or limits.

24.18 Security Trustee not responsible for investigations

The Security Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in the Security Deed, the other Transaction Documents, the Securities or any other agreement or document relating to the transactions herein or therein contemplated or for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence thereof and shall assume the accuracy and correctness thereof nor shall the Security Trustee, by execution of the Security Deed, be deemed to make any representation as to the validity, sufficiency or enforceability of either the whole or any part of the Security Deed, the Posted Collateral or the Collateral Provider Security Interests.

24.19 Information

24.20 Confidential information

The Security Trustee shall not (unless required pursuant to any requirement of law or any regulatory direction or if ordered so to do by a court of competent jurisdiction) be required to disclose to any Relevant Holder, any other secured creditor or any other person any information (including, without limitation, information of a confidential, financial or price-sensitive nature) made available to the Security Trustee by the Collateral Provider in connection with the Security Deed or the other Transaction Documents and no Relevant Holder or other secured creditor or any other person shall be entitled to take any action to obtain from the Security Trustee any such information.

24.21 Illegality

Notwithstanding anything else contained in the Security Deed or the other Transaction Documents, the Security Trustee may refrain from doing anything which would be contrary to any applicable law of any jurisdiction or any directive or regulation of any agency of any state or which would otherwise render it liable to any person and may do anything which is necessary to comply with any such law, directive or regulation.

24.22 Responsibility

The Security Trustee shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or suitability of any of the Transaction Documents or other documents entered into in connection therewith, nor shall it be responsible or liable to any person because of any invalidity of any provisions of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court. The Security Trustee shall not have any responsibility for, or have any duty to make any investigation in respect of or in any way be liable whatsoever for:

- 24.22.1 the nature, status, creditworthiness or solvency of any person or entity who has at any time provided any security or support whether by way of guarantee, charge or otherwise in respect of any advance made to the Collateral Provider or any other party to any Transaction Document;
- 24.22.2 the execution, delivery, legality, validity, adequacy, admissibility in evidence, genuineness, effectiveness, suitability or enforceability of any Transaction Document or any other document entered into in connection therewith or of any transfer, security or trust effected or constituted or purported to be effected or constituted by any Transaction Document or any other document entered into in connection therewith;
- 24.22.3 the registration, filing, protection or perfection of the security constituted or purported to be constituted by any Transaction Document or the priority of any such security, whether in respect of any initial advance or any subsequent advance or any other sums or liabilities;
- 24.22.4 the failure by any person to obtain or comply with any licence, consent or other authority in connection with any Transaction Document;
- 24.22.5 any accounts, books, records, or files maintained by any person in connection with or in respect of any property comprised or intended to be comprised in the security constituted or purported to be constituted by any Transaction Document;
- 24.22.6 the scope or accuracy of any recitals, representations, warranties or statements made by or on behalf of any person in any Transaction Document or any document entered into in connection therewith;
- 24.22.7 save as provided in the Security Deed, the performance or observance by any person of any provisions of any Transaction Document or in any document entered into in connection therewith or the fulfilment or satisfaction of any conditions contained therein or relating thereto or as to the existence or occurrence at any time of any default or similar event contained therein or waiver or consent which has at any time been granted in relation to any of the foregoing;
- 24.22.8 the existence, accuracy or sufficiency of any legal or other opinions, searches, reports, certificates, valuations or investigations delivered or obtained or required to be delivered or obtained at any time in connection herewith;

24.23 Delegation

The Security Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint

Security Trustee or not) for any period (whether exceeding one year or not) or indefinitely all or any of the trusts, powers and authorities vested in the Security Trustee hereby and in the Security Deed and the other Transaction Documents and such delegation may be made upon such terms and subject to such conditions including power to sub-delegate and subject to such regulations as the Security Trustee may think fit. The Security Trustee shall not be in any way responsible for any liability incurred on the part of any such delegate or sub-delegate by reason of the delegate or sub-delegate's misconduct or default or be bound to supervise the proceedings or act of any such delegate or sub-delegate, provided that it exercises reasonable care in selecting such delegate or sub-delegate.

24.24 Agents

Whenever it considers it expedient in the interests of the Secured Parties, the Security Trustee may (at the cost of the Collateral Provider), in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Security Trustee (including the receipt and payment of money). The Security Trustee shall not be in any way responsible for any liability incurred on the part of any such agent by reason of the agent's misconduct or default or be bound to supervise the proceedings or act of any such agent, provided that it exercises reasonable care in selecting such agent.

24.25 Security Trustee duty to take action

The Security Trustee shall not be bound to take any steps, institute any proceedings, take any other action, or exercise any right, power, authority or discretion vested in it, under or in connection with any of the Transaction Documents (including, without limitation, enforcing the Collateral Provider Security Interests) or any other agreement relating to the transactions herein or therein contemplated, unless and until directed to do so by a Relevant Holders' Resolution, in writing, and in all cases provided that it shall have been indemnified and/or secured and/or pre-funded to its satisfaction against any liabilities which might be brought, made or conferred against or suffered, incurred or sustained by it as a result (which may include payment on account). The Security Trustee shall be entitled to seek clarification on any instructions so received in regard to the exercise of its powers under the Security Deed. The Security Trustee shall be entitled to refrain from acting in the absence of clear instructions. The Security Trustee shall not be held liable to any person for the consequences of taking or refraining from taking any action under this clause 24.25. Nothing contained in the Security Deed, or the other Transaction Documents, shall require the Security Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion under the Security Deed or any other Transaction Document if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not assured to it.

25. Partial invalidity

If, at any time, any provision of the Security Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

- 27.1 In no event shall the Security Trustee have liability with respect to any losses arising from the use by the Collateral Provider (or any Authorised Person) of any method of transmission such as facsimile, email or other Electronic Means which are deemed not to be secure where such losses have arisen as a result of such non-secure method of transmission or communication having been compromised, except to the extent caused by such Security Trustee's own negligence, wilful default or fraud. The Security Trustee has no duty or obligation to verify or confirm that the person who sent such instructions or directions is, in fact, a person authorised to give instructions or directions on behalf of the Collateral Provider (or any Authorised Person). The Collateral Provider agrees that the security procedures, if any, to be followed in connection with its transmission of any such notice, instructions or other communications, provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

¹ Issuer and Transaction name to be included in Attention field for each Series of Securities.

28. **Power of attorney for Collateral Provider**

28.1 **Appointment**

The Collateral Provider by way of security irrevocably appoints the Security Trustee and each receiver appointed under the Security Deed as its attorney (with full power of substitution) on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit:

28.1.1 to do anything which the Collateral Provider is obliged to do (but has not yet done) under the Security Deed (including to execute charges over, transfers, conveyances, assignments and assurances of, and other instruments, documents notices, registrations, filings, orders and directions relating to, the Posted Collateral); and

28.1.2 to exercise any of the rights conferred on the Security Trustee or any receiver appointed under the Security Deed in relation to the Posted Collateral or under the Security Deed or any receiver of the Triparty Margined Posted Collateral, the LPA or the Insolvency Act.

28.2 **Ratification**

The Collateral Provider ratifies and confirms and agrees to ratify and confirm whatever such attorney shall do in the exercise of the power of attorney granted by it in clause 28.1 of these Master Security Terms.

29. **Sanctions**

29.1 The Issuer covenants and represents that neither it nor any of its subsidiaries, nor, to its knowledge, any of its affiliates, directors and officers, in each case when and to the extent acting on its behalf in connection with the Security Deed, is the target or subject of any sanctions enforced by the US Government (including, without limitation, the Office of Foreign Assets Control of the US Department of the Treasury (**OFAC**)), the United Nations Security Council, the European Union or HM Treasury (collectively, **Sanctions**).

29.2 The Issuer covenants and represents that neither it nor any of its subsidiaries, nor, to the knowledge of the Issuer, any of its affiliates, directors and officers, in each case when and to the extent acting on its behalf in connection with the Security Deed will knowingly use any payments made pursuant to the Security Deed (i) to fund or facilitate any prohibited activities of or business with any person who, or any country or territory that, at the time of such funding or facilitation, is the subject or target of Sanctions or (ii) in any other manner that will result in a violation of Sanctions by any person.

29.3 Clauses 29.1 and 29.2 above will not apply if and to the extent that they are or would be unenforceable by reason of, or would expose any person to liability for, breach of (i) any provision of Council Regulation (EC) No 2271/96 of 22 November 1996 (or any law or regulation implementing such Regulation in any member state of the EU) and/or the Extraterritorial US Legislation (Sanctions against Cuba, Iran and Libya) (Protection of Trading Interests) Order 1996 (in each case as amended); or (ii) any similar blocking or anti-boycott law.

30. **Governing law**

30.1 Save for clauses 4.2, 12.2, 18.7 and Schedule 3 of these Master Security Terms, the Security Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.
