DIRECTORS' REPORT

The directors present their report together with the audited financial statements of the company for the year ended 31st December 2001.

Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to

select suitable accounting policies and apply them consistently;

make judgements and estimates that are reasonable and prudent, and;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue to operate.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The principal activity of the company was that of producing journals and magazines relating to the health care service.

Review of Business

A summary of the results is shown on page 5 of the accounts.

Dividends

The directors of the company recommend that no dividend should be declared for the year.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF
PALLIATIVE CARE LIMITED

We have audited the financial statements on pages 5 to 8. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of directors and auditors

As described on page 2 in the Statement of Director's Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and UK Accounting Standards. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and UK Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985, as amended. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of opinion

We conducted our audit in accordance with UK Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31st December 2001 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985, as amended.
