Administrators' Proposals

As previously notified to you, all of the proposals set out in our report dated 2 July 2008 were deemed to have been approved as per Rule 2.33(5) of the Insolvency Rules 1986.

Extension of the Administration

On 3 April 2009 the secured and preferential creditors consented to a six month. extension of the Administration period to 7 November 2009.

Asset Realisations and Principal Matters Concluded

I enclose as Appendix 1 a summary of my receipts and payments covering the period from 8 May 2008 to 6 November 2009. This also shows the receipts and payments for the period from 8 May 2009 to 6 November 2009.

Since our last report, and following the sale of the business and certain assets to Stone Computers Limited on 19 May 2008 (which excluded freehold property and book debts), we have realised the residual balance of £11,050 held by Optimal, the Companies Merchant Services provider and have also confirmed that a corporation tax terminal loss relief refund claim is not available.

As asset realisations have been greater than initially anticipated, we have been in a position to declare and pay a dividend of 100p in the \pounds to preferential creditors totalling £20,356.

Administrators' Remuneration and Disbursements

As detailed in paragraph 5 of the Administrators' proposals, in the circumstances of this case it is the responsibility of the secured creditor and preferential creditors to approve the Administrators' remuneration and disbursements. This approval has been received. The remuneration is fixed by reference to the time spent by the Administrators and their staff in attending to matters arising during the Administration. The Administrators have drawn fees of £113,688 and disbursements of £1,043 exclusive of VAT. The disbursements are as follows:

£

Travel 515
Insolvency bordereau insurance 528

Attached as Appendix 2 are details of the Administrators' time costs to 31 October 2009 being the latest practicable date upon which to report. Remuneration has been drawn at a lower level than the time costs incurred.

On 1 January 2009 the Administrators' hourly charge out rates for their staff were increased and are set out on the attached summary.

Other Professional Costs

Legal fees and expenses, exclusive of VAT, incurred by the Administrators have been paid as follows:

	Г
- 3	r
