Flowing Forms In Metal Limited
Notes to the Financial Statements
For The Year Ended 30 September 2023

1. General Information

Flowing Forms In Metal Limited is a private company, limited by shares, incorporated in England & Wales, registered number 02737233 . The registered office is 7 Parsons Close, Shipston-On-Stour, CV36 4JS.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

The company is showing net liabilities as at 30 September 2023. The director has confirmed that he will continue to support the company financially, to allow it to continue its operations. On this basis, the director considers it appropriate to prepare the financial statements on a going concern basis.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales tax.

2.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Property improvements	10% straight line
Plant & machinery	25% straight line

2.4. Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads. Work-in-progress is reflected in the accounts on a contract by contract basis by recording turnover and related costs as contract activity progresses.

2.5. Taxation

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the income statement because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

3. Average Number of Employees

Average number of employees, including directors, during the year was: 1 (2022: 1)
