Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The financial statements have been prepared on the going concern basis, notwithstanding net liabilities of £7,000 which the directors believe to be appropriate for the following reasons. Telewest UK Limited, an intermediate holding company, has indicated that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the Company and in particular will not seek repayment of the amounts currently made available. This should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this indication the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

On 3 March 2006, Telewest Global, Inc. executed an agreement of merger with NTL Incorporated (incorporated in Delaware, USA), which resulted in NTL Incorporated being merged with a subsidiary of Telewest Global, Inc. The directors believe that the restructuring left Telewest Global, Inc. and its subsidiaries ('the new Group') with sufficient liquidity to meet the new Group's funding needs and enable it to provide continued support to subsidiary companies. The directors believe that the subsequent merger with NTL Incorporated continues to provide sufficient liquidity to provide continued support to subsidiary companies.

6 Contingent liabilities

The Company has joint and several liabilities under a group VAT registration.

In December 2004, the Company, together with other group companies, entered into 2 new facilities agreements pursuant to which it has given a guarantee and a fixed and floating charge over certain of its assets to secure borrowings of other group companies.

7 Subsequent events

On 3 March 2006, Telewest Global, Inc., the company's ultimate parent undertaking, and NTL Incorporated announced that they had completed the merger of the two businesses, creating the UK's second largest communications company. Telewest Global, Inc. (now renamed NTL Incorporated), NTL Cable plc, NTL Investment Holdings Limited and certain of its subsidiaries, and Telewest Communications Networks Limited and certain of its subsidiaries executed a Senior Facilities Agreement with a consortium of financial institutions. The new senior secured credit facility has an aggregate principal amount of £3.8 billion, mainly comprising of a £3.2 billion 5-year term loan facility and a £100 million 5-year multi-currency revolving credit facility. Telewest Global, Inc and NTL Incorporated (now renamed NTL Holdings Inc.) also entered into a Senior Bridge Facilities Agreement with a consortium of financial institutions. This facility consists of a 1-year (automatically extendable to a 10-year) senior subordinated bridge facility in an aggregate principal amount of \$3.1 billion (£1.8 billion equivalent) for the purposes of financing the cash consideration payable pursuant to the merger agreement and paying the related fees, costs and expenses in connection therewith. This facility has now been fully drawn. In addition, NTL Incorporated and NTL Investment Holdings Limited agreed to engage the financial institutions for any take-out financing for the bridge facility.

8 Ultimate parent company and parent undertaking of larger group of which the company is a member

At 31 December 2005, the ultimate parent company was Telewest Global, Inc., which is incorporated in Delaware, USA. Telewest Global, Inc. is the parent of the largest group for which group financial statements, including the Company, are prepared. The smallest group in which the results of the Company are consolidated is that headed by Telewest UK Limited, incorporated in England and Wales. On 3 March 2006 Telewest Global, Inc. executed an agreement of merger with NTL Incorporated (incorporated in Delaware, USA), which resulted in NTL Incorporated being merged with a subsidiary of Telewest Global, Inc. In accordance with the terms of the agreement of merger Telewest Global, Inc. was renamed NTL Incorporated with immediate effect. Copies of the group financial statements of Telewest Global, Inc. may be obtained from The Company Secretary, Telewest Broadband, Export House, Cawsey Way, Woking, Surrey, GU21 6QX.
