1 ACCOUNTING POLICIES

a) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice)

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company

b) Turnover

Turnover represents net invoiced sales of goods and services, including value added tax

c) Depreciation of tangible fixed assets

All fixed assets are initially recorded at cost

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are

Plant, machinery and motor car 25% per annum on a straight line basis

d) Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress

e) Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax

f) Investments

Investments are valued at the lower of cost and net realisable value
