#### **DIRECTORS' REPORT**

#### YEAR ENDED 31 JULY 2013

The directors present their report and the financial statements of the company for the year ended 31 July 2013.

#### Principal activities and business review

The principal activity of the company during the year was the provision of music training and consultancy services.

Access to Music performed well ahead of expectations, with significant further growth in 16-18 year old and Higher Education (degree level) student numbers, but also with considerable amounts being reinvested in developing new planned provision, upgrading resources and delivery centres. Key performance indicators by which the company's educational performance is measured showed further progress. Overall achievement rates went up from 85.9% in 2012 to 93.8% in 2013. Overall success rates went up from 75.4% in 2012 to 82% in 2013, which is very much market leading performance for this sector area. Our work based learning provision also grew significantly, with new apprentice pathways opening up in creative digital media across England.

A full Ofsted inspection took place in March 2013, resulting in a strong overall Grade 2 (Good). This was due to the continued focus on improving the effectiveness of teaching, learning and delivery quality.

A 2012 inspection by the Independent Schools Inspectorate yielded an Outstanding Grade 1 result. A recent QAA inspection of our Higher Education provision yielded the highest possible score.

The results for the year are set out in the Profit and Loss Account. The directors were very satisfied with the company's operating performance and profits generated from ordinary activities before taxation, given the financial environment.

Sales of £8,831,541 (2012 £7,879,018) were achieved with a gross profit of £3,305,134 (2012 £2,773,626) giving a gross profit margin of 37.4% (2012 35.2%).

#### Future developments

The Directors are pleased to report that 2013-14 has commenced with further improved student enrolments including the commencement of two new Degree programmes in partnership with Birmingham City University, in addition to our existing and highly prestigious Degree programme in Session musicianship delivered in partnership with the Royal Northern College of Music.

Significant opportunities remain to further grow the full time student base, particularly in the 16-18 fully funded further education market, and also for Apprenticeships.

We will continue to broaden the range and reach of services offered including Higher and Further education as well as privately funded courses.

The Directors would like to take this opportunity to thank and congratulate the senior management teams, the heads of centres and all the delivery and support staff who were instrumental in assisting the company to achieve their targets.

#### Results and dividends

The profit for the year, after taxation, amounted to £649,208. The directors have not recommended a dividend.

#### DIRECTORS' REPORT (continued)

#### YEAR ENDED 31 JULY 2013

#### **Directors**

The directors who served the company during the year were as follows:

A Armstrong

#### Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Post balance sheet event

There were no material events up to 7 April 2014, being the date of approval of the financial statements by the Board.

#### Auditor

DPC Accountants Limited are deemed to be re-appointed under section 487(2) of the Companies Act 2006.

Each of the persons who is a director at the date of approval of this report confirm that:

- so far as each director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each director has taken all steps that they ought to have taken as a director to make themself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

#### NOTES TO THE ABBREVIATED ACCOUNTS

#### YEAR ENDED 31 JULY 2013

#### 1. Accounting policies

#### Basis of accounting

The financial statements have been prepared under the historical cost convention.

#### Turnover

Turnover represents income receivable for goods and services provided in the period, exclusive of Value Added Tax and trade discounts. Turnover is recognised in the academic year to which it relates.

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Leasehold Property

over the period of the lease

Instruments

5 years straight line

Fixtures & Fittings

- 5 years straight line

Motor Vehicles

- 25% reducing balance

Expenditure on assets is capitalised if it exceeds £1,000.

#### Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

#### Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

#### **Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

#### NOTES TO THE ABBREVIATED ACCOUNTS

#### YEAR ENDED 31 JULY 2013

#### 1. Accounting policies (continued)

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### **Grants received**

Grants relating to capital expenditure on tangible assets are credited to the profit and loss account at the same rate as the depreciation on the assets to which the grants relate.

#### Dilapidation costs

Provision has been made at the year end for the cost of dilapidations which resulted from events prior to the Balance sheet date. Provision has also been made for one third of the dilapidation costs that will be due on leases which expire within three years of the Balance Sheet date. This will be reviewed annually by the directors.

#### 2. Operating profit

Operating profit is stated after charging:

|                                     | 2013<br>£ | 2012<br>£ |
