SECTION 172(1) STATEMENT

Governance

Lewisham Irish Community Centre is governed by a board of trustees. We focus on the principles of good governance and work hard to regularly review and develop strategies for working effectively as a management committee.

Each new Trustee is offered an induction programme that emphasizes their personal and collective responsibility to the mission and objectives of the charity. Ever mindful that Trustees with appropriate business skills and knowledge of the voluntary sector are scarce, we continue to identify gaps in skills and competencies reviewing board training and recruiting new members.

A major achievement in this period included agreement of a strategic business 2021-2024 plan in consultation with key stakeholders.

Approved by order of the board of trustees on 31 January 2024 and signed on its behalf by:

Michael Mc Donnell - Trustee

INTRODUCTION

Lewisham Irish Community Centre (LICC) is a dynamic, outward looking organisation based in the London Borough of Lewisham in South London. We are a registered charity established in 1992.

Our base in Rushey Green is a vibrant hub for the local community and the Irish community in Lewisham, providing advice, support and advocacy for local people, the Irish community and specialist advice and support for Gypsy Roma Traveller (GRT) communities. The centre hosts activities for children and families, young people and provides support to elders.

OBJECTIVES AND ACTIVITIES

Objectives and activities

The principal objective of the charity is to promote the benefit of the community, particularly but not exclusively to persons of Irish descent within the London Borough of Lewisham. This objective is achieved through association with local authorities, voluntary organisations and local population to:

- Advance education in Irish culture & heritage.
- To relieve sickness & deprivation.
- Provision of social and recreational activities for the wellbeing of the community.

Main Summary

This year Lewisham Irish Community Centre celebrated 30 years, a huge achievement for a small charity in this current economic climate. We held celebrations throughout the year, the highlight was a special reception held at the Irish Embassy in London. It was great to bring the community together to acknowledge all those who have supported the charity over the years, highlight recent achievements and discuss our strategic plan for the years ahead.

Main Highlights

There's been much to celebrate throughout the year with increased funding from the Irish Emigrant Support Programme and five-year funding from City Bridge Trust. This funding has enabled LICC to expand our welfare services to a team of four outreach advice and caseworkers. The new team will ensure LICC meets the current challenges faced by the most vulnerable members of our community and the long-term impacts of COVID on an aging Irish Community. LICC secured a new five-year contract with Lewisham PIPHC to deliver services to the Gypsy Roma Traveller community. LICC secured NCIL funding to fit a new community Kitchen while Lewisham Council carried out extensive work on the premises which included external repairs, internal decorating of the main hall area, and new bathroom fittings. We are delighted with the support and commitment from Lewisham Borough Council. It was great to be back in the building in time to celebrate St. Patrick's Day events with 174 members of the community.

To celebrate 30th years we produced Lewisham Irish life stories capturing stories of emigration across the diverse local Irish community, we thank all our contributors for their generosity toward this project.

We look forward to the year ahead building on the successes of this past year, working collaboratively within the borough and among our Irish Networks. Thanks to our dedicated staff team, tutors, facilitators, volunteers for their hard work and dedication to the charity.

Advice & Support Services

The advice and support services is mainly provided onsite for the Irish Community and home visits to the Gypsy Roma Traveller communities.

This period 170 individuals accessed the service; 138 clients accessed the advice and advocacy while 32 individual received welfare calls or community meals. The welfare team held 343 advice sessions, including 111 home visits.

The project to date has run for 134 weeks delivering meals on wheels to those who are isolated or vulnerable. In the past year, 20 individuals accessed the project, and 640 meals were delivered. Our Irish elders project runs Friday afternoon onsite offering a program of music, song, chair-based exercise, light lunch and bingo. This is attended by an average of 30 individuals weekly, this increased to 70 for special Christmas and St. Patrick's Day lunches. In addition to our Friday Irish Elders project we offer Seated Pilates, Zumba Gold and a Men's Group throughout the week. 103 older individuals accessed our weekly activities.

LICC's weekly playgroup provides unstructured 'Play and Stay' sessions for families with toddlers. The project is coordinated by Karen Duggan. This year 23 families accessed the project.

LICC youth club offered 31 sessions and was accessed by 32 young people. Weekly activities include craft table, indoor sports, team games table tennis, air hockey and football.

There was an opportunity to access information and support from various groups including MIND, Macmillan Cancer support. Blood pressure testing, Irish groups ICS, STAG and LIC Camden.

On the 12th of May Lewisham Community Connections held their first Partnership Networking Event at LICC. It was a great opportunity to bring together over 60 professionals from the statutory, voluntary and community sectors.

LICC hosted Advice Lewisham's Forum in September 2022. LICC offered the space to forum members to set up a walk-in information, support and sign-posting surgery on Thursdays mornings, we look forward to commencing this project in May 2023.

Celebrating 30 Years at the Centre

OBJECTIVES AND ACTIVITIES

In December, we also celebrated our 30th anniversary at the centre with an evening of music and song. We were joined by 120+ 'old friends and new' from across London. We had music from Fiona and Jean Kelly, some singers from our pensioner's project and a local ceili band. We launched our Lewisham Irish Life Stories project at this event, a book capturing the stories of immigration from across the community with some readings on the evening.

We want to thank the London Irish LGBT Network who gifted the centre a commissioned painting by local artist Yvonne Devine to mark the milestone.

Grantmaking

Grants were paid to the value of £350 from Southwark Irish Pensioners Project - Bens OC Grant £350.

FINANCIAL REVIEW

Principal funding sources

The Lewisham Irish Community Centre is primarily funded by two sources:

One is a 'service contract' with the London Borough of Lewisham, which contributes towards the Gypsy Roma Travellers Outreach service. The current contract has been renewed for a five-year period 2022-2027.

The other major grant is paid by the Irish Government (Department of Foreign Affairs Emigrant Support Programme), which pays for the delivery and management of the Irish Welfare Services and the Gypsy Roma Traveller Outreach Service. This year we secured five year funding from City Bridge which enabled LICC to develop and expand the welfare services.

Income generation

LICC generates income from hall hire facilities rented out to the local community both privately and on an on-going basis to charitable and community-led groups. Since the Pandemic and with the current cost of living crisis hiring the space has proved more challenging. This year the building was closed for a three month period for essential refurbishment which resulted in loss of earnings and loss of two long term user groups.

We generated £26,839 (2022 £26,782), which is an increase of £57 from 2021 -2022.

Reserves policy

LICC operates a reserves policy that aims to cover cash flow shortfalls due to uncertainty in the timing of future grant awards. Reserves are monitored regularly by the board of Trustees which remains confident current levels of reserves are proportionate to the organisation's needs.

The Trustees regard £40,000 as a prudent sum to cover running costs for three months.

Total reserves currently stand at £69,305 (2022 £83,617).

Restricted funds currently stand at £63,857 (2022 £59,498)

Unrestricted funds currently stand at £5,448 (2022 £24,119), however £2,389 (£2022 £951) is required to cover future depreciation of fixed assets.

FUTURE STRATEGIC DIRECTION

LICC has a four-year strategic plan, reaffirming our commitment to the welfare of Irish and GRT communities, our role in engaging and keeping our community connected within the borough of Lewisham. We will work collaboratively both within the Irish and local Lewisham Networks to ensure the best services for our community. Our first priority was to build capacity and resilience post COVID.

2022-2023 was the third year of the strategy and much of the objectives have successfully been achieved.

Over the next 3 years, LICC will have 4 key strategic goals:

Welfare of The Irish community

Addressing the changing needs of the older Irish and vulnerable Irish community we will empower the community to access their rights and entitlements within the statutory services. LICC through advice and advocacy work to prevent and reduce homelessness and housing need.

We are committed to provide access to welfare rights and entitlements to improve quality of life.

We will work to reduce social isolation and loneliness through the provision of social and cultural activities especially through the provision of a community outreach programme to the older community.

Keeping our community connected

Part of the organisation's DNA is to foster a vibrant sense of community and of Irish identity through the provision of an Irish cultural programme. We will develop new projects to improve awareness and understanding of the Irish emigrant and diaspora experience. We will develop a greater presence on social media and instigate digital inclusion programmes that benefit our users.

We will develop and expand services for young people, maintain activities for local families including playgroup provision.

The organisation will promote mental health and social inclusion in all areas of our work.

We will listen to service users and stakeholders through continuous engagement and consultation.

Collaboration

We will invest in maintaining and nurturing relationships with our main funding providers such as the Irish Government, Lewisham Borough Council, and UK and London funding bodies. We will continue to reach out to other organisations and communities and build positive working relations in the local area.

Building capacity and resilience within organisation

We will prioritise our fundraising strategy to continue to rebuild post COVID with the aim of strengthening and diversifying our funding.

We will strengthen leadership and governance.

We will invest in staff training and quality structures.

We will identify new and unmet needs, looking at new ways to deliver services.

Post year end developments

Since the end of the financial year, LICC has strengthened its financial position by securing an increase in Emigrant Support Programme to £105,313 (2022 £95,860)

We secured one year funding from Awards For All, to cover costs of the youth club salaries for 2023 to 2024.

Report of the Trustees
for the Year Ended 31 March 2023

We secured £5,500 warm spaces funding towards the community café and £43,514 cost of living funding which supports the financial shortfall in existing services. The cost-of-living funding includes retrospective funding from July 2023 and will enable LICC to build up reserves and establish better financial stability for 2024/2025 period.

The trustees (who are also the directors of Lewisham Irish Community Centre for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
