Notes

- 1 The original instrument (if any) creating or evidencing the charge, together with these prescribed particulars correctly completed must be delivered to the Registrar of Companies within 21 days after the date of creation of the charge (section 395). If the property is situated and the charge was created outside the United Kingdom delivery to the Registrar must be effected within 21 days after the date on which the instrument could in due course of post, and if dispatched with due diligence, have been received in the United Kingdom (section 398). A copy of the instrument creating the charge will be accepted where the property charged is situated and the charge was created outside the United Kingdom (section 398) and in such cases the copy must be verified to be a correct copy either by the company or by the person who has delivered or sent the copy to the registrar. The verification must be signed by or on behalf of the person giving the verification and where this is given by a body corporate it must be signed by an officer of that body. A verified copy will also be accepted where section 398(4) applies (property situate in Scotland or Northern Ireland) and Form No. 398 is submitted.
- 2 A description of the instrument, eg "Trust Deed", "Debenture", "Mortgage" or "Legal charge", etc, as the case may be, should be given.
- 3 In this section there should be inserted the amount or rate per cent. of the commission, allowance or discount (if any) paid or made either directly or indirectly by the company to any person in consideration of his;
 - (a) subscribing or agreeing to subscribe, whether absolutely or conditionally, or
 - (b) procuring or agreeing to procure subscriptions, whether absolute or conditional,
 for any of the debentures included in this return. The rate of interest payable under the terms of the debentures should not be entered.
- 4 If any of the spaces in this form provide insufficient space the particulars must be entered on the prescribed continuation sheet.

above, if and to the extent that such property, assets and rights are not or have ceased to be effectively mortgaged or charged by way of legal mortgage or fixed charge and subject to such first floating charge only taking effect with respect to any hire purchase or leasing agreement to be assigned to the Company once the relevant assignment has been formally completed in favour of the Company and if so required by the Bank the consent of the relevant landlord to such charge being granted.

N.B. Under the Deed of Charge the Company covenants with the Bank that it will not at any time during the subsistence of the Deed of Charge create or permit to subsist any mortgage, charge, pledge, lien or other encumbrance in relation to the Charged Property securing any obligation of any person (other than liens arising in the ordinary course of trading or in respect of retention of title provisions in the ordinary course of trading) without the prior written consent of the Bank.

N.B. Under the Deed of Charge the Company undertakes further not except with the prior written consent of the Bank to purport to create or permit to subsist over all or any of the book debts and other debts referred to in paragraph c(iv) above any mortgage, charge, lien, pledge or other security other than the Deed of Charge.

N.B. Under the Deed of Charge the Company covenants further with the Bank (save as may otherwise be permitted under the Facility Letters or any of them) not, without the prior written consent of the Bank, directly or indirectly to create or permit to exist any security interest in any Equipment owned by it or in which it is interested.
