STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company Law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements the directors are required to :

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Company's Act 1985. They are also responsible for safeguarding the assets of the Company and hence taking reasonable steps for the prevention of fraud and other irregularities

SMALL COMPANIES RULES

These accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities.

NOTES TO THE ACCOUNTS

FOR THE YEAR TO 31ST JANUARY 2002

1) ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities.

a) Turnover

Turnover consists of the sales value (excluding VAT) of goods and services supplied to third parties.

It is attributable to the one principal activity of the Company which arose wholly in the United Kingdom

b) Depreciation

Depreciation is provided each year in order to write off the cost of tangible and intangible assets over their useful lives or, if held under a finance lease, over the lease term, whichever is the shorter, as follows:

Tools and equipment	25% on reducing balance
Motor Vehicles	25% on reducing balance.

c) Stocks

Stock and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

d) Deferred Taxation

Deferred tax is provided under the liability method at the current rates of corporation tax, where in the opinion of the directors, timing differences between profits as stated in the accounts and as computed for taxation purposes are likely to reverse in the foreseeable future.

e) Investments

Investments are included at cost. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.

f) Pensions

The company operates a defined contribution scheme, the assets of the scheme being held separately from the assets of the company. The pension cost charge represents contributions payable to the scheme.

g) Leased Assets

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
