- (b) This Debenture constitutes notice to the Bank of the security over the Charged Accounts maintained with the Bank but this shall not prevent the Bank from exercising any rights of set-off in respect of the Account Balances.

3.5 Qualifying floating charge

Paragraph 14 of Schedule B1 of the Insolvency Act 1986 applies to any floating charge created by or pursuant to this Debenture and each such floating charge is a qualifying floating charge for the purposes of the Insolvency Act 1986.

4. NEGATIVE PLEDGE

4.1 Encumbrances

The Chargor shall not, without the prior written consent of the Bank, create or allow to subsist any Encumbrance over any Charged Assets (whether ranking in priority to, equal with or subsequent to the security created by this Debenture) or attempt or agree to do so.

4.2 Disposals

The Chargor shall not, without the prior written consent of the Bank, sell, transfer, lease, assign, factor, discount or otherwise part with possession or dispose of (or attempt or agree to do so) the whole or any part of any property, asset or right of the Chargor, whether present or future (except for a disposal at market value in the usual course of trading of Charged Assets which are not stated to be charged by this Debenture by way of legal mortgage or fixed charge or otherwise assigned to the Bank and which are not then subject to a fixed charge which was originally a floating charge).

4.3 Land Registry

The Chargor shall apply (and undertakes immediately following its acquisition of any freehold or leasehold property to apply) to the Chief Land Registrar at the Land Registry for a restriction to be entered on the register of title of all registered freehold and leasehold property of the Chargor, present and future, against which this Debenture may be noted in the following terms (and further consents to such an application being made by or on behalf of the Bank):

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of The Co-operative Bank p.l.c. referred to in the charges register".

5. CRYSTALLISATION OF FLOATING CHARGE

5.1 Conversion by notice

The Bank may by notice to the Chargor convert the floating charge created by clause 3.1(r) (*Fixed and floating charges*) into a fixed charge as regards the Charged Assets specified in the notice.

5.2 Automatic conversion

The floating charge created by clause 3.1(r) (*Fixed and floating charges*) shall (in addition to the circumstances in which the same will occur under general law) automatically be converted into a fixed charge in respect of any asset comprising the Charged Assets:

- (a) upon there being a breach of clauses 4.1 (*Encumbrances*) or 4.2 (*Disposals*) in relation to that asset; or
- (b) upon the presentation or making of any application for a warrant of execution, writ of control, third party debt order, charging order or court order with analogous effect in respect of that asset, or upon any person levying or attempting to levy any distress or execution against that asset, or any person effecting or attempting to effect any lawful seizure (whether permitted by contract or by law) in respect of that asset.

6. DEPOSIT OF DEEDS AND FURTHER ASSURANCE

6.1 Deposit of Deeds

The Chargor shall deposit with the Bank and the Bank may retain during the continuance of this security (unless held by a prior mortgagee at the date of this Debenture) all deeds and documents of title relating to the Charged Assets and any estate, right or interest derived from the Chargor's interest in them and the Chargor declares that it will hold any such deeds and documents not so deposited on trust for the Bank.

6.2 Further assurance

The Chargor shall, if required by the Bank and at its own cost:

- (b) do and concur in any other act or thing required by the Bank to vest title to any Charged Assets in the Bank or its nominee(s) (subject to the Chargor's equity of redemption) or more effectively to provide security for the payment and discharge of the Secured Obligations; and
- (c) give notice to such person(s) as the Bank may require of any security created or act done pursuant to this Debenture, and take any other step required by the Bank to perfect or protect any such security.

- (a) insure the Property and all buildings, other erections, trade and other fixtures and fixed and other plant, machinery and equipment forming part of the Charged Assets with insurers approved by the Bank against loss or damage by fire and such other risks as the Bank may require in amounts sufficient to cover the full cost of their replacement and, to the extent required by the Bank in respect of the Property, loss of rental and other income;
- (b) maintain such other insurances as are normally maintained by prudent companies carrying on businesses similar to the Chargor;
- (c) if requested to do so by the Bank, effect all such insurances with the Bank named as composite insured or with the interest of the Bank endorsed on the relevant policy (or, in each case, as otherwise required by the Bank acting reasonably);
- (d) procure (where necessary) the consent of all relevant insurers to any assignments pursuant to clause 3.3 (*Security Assignments*);
- (e) ensure that every such policy shall contain a term preventing such policy from being vitiated or avoided as against a mortgagee because of any misrepresentation, act or omission of the insured or circumstance beyond the control of the insured;
- (f) punctually pay all amounts payable under each such policy and, if the Bank so requires, promptly produce receipts for such payments;
- (g) not do, make or approve any act or omission which might render any such policy unenforceable to any extent; and
- (h) deposit with the Bank, and permit the Bank to retain during the continuance of this security, all insurance policies effected by the Chargor in respect of the Charged Assets and the Chargor declares that it will hold any such policies not so deposited on trust for the Bank.

7.2 Proceeds of insurances

All amounts received under any insurance effected in respect of the Charged Assets and all compensation monies received by the Chargor in respect of the Charged Assets shall (subject to the rights of any prior mortgagee at the date of this Debenture and to any statutory provision relating to the application of such amounts and to the terms of any lease in respect of the Property) be paid to the Bank. The Chargor will hold any such amounts on trust for the Bank pending their receipt by the Bank and by executing this Debenture irrevocably instructs all insurers to pay such amounts directly to the Bank where required by this clause 7.2. All such amounts shall, at the Bank's option, either:

- (a) be applied in or towards making good the loss or damage in respect of which the amount was claimed (the Chargor making good any deficiency from its own resources); or
- (b) in or towards the discharge of any of the Secured Obligations which are then due, in such order as the Bank may in its absolute and unfettered discretion determine; or
- (c) be credited to a Collections Account (or, if no account has been designated as a Collections Account, such other account held with the Bank as the Bank may elect from time to time).

8. CONTINUING OBLIGATIONS OF THE CHARGOR

At all times during the continuance of this security the Chargor shall:

- (a) keep the Property in a good and substantial state of repair, and procure that, except with the prior written consent of the Bank, no alteration or addition is made to the Property, no building is altered or erected on the Property and no "development" (as defined in the Town and Country Planning Act 1990) is carried out on the Property;

- (g) not be entitled, and shall not attempt, to withdraw or transfer any monies standing to the credit of a Collections Account without the prior written consent of the Bank and the Bank may in its absolute discretion withhold such consent;
- (h) on demand by the Bank execute a legal assignment of any or all of the Receivables in such form as the Bank may require and give notice of such assignment to the debtors and take such other steps as the Bank may direct to perfect such assignment;

- (i) deal with the Receivables in accordance with any directions from time to time given in writing by the Bank and, in addition to its obligations under clauses 4.1 (*Encumbrances*) and 4.2 (*Disposals*) not, without the prior written consent of the Bank, release, set-off, grant time or indulgence to any debtor or otherwise deal with the Receivables save in accordance with this paragraph (i);
- (j) furnish the Bank with such information as to the nature and amount of the Receivables as the Bank may reasonably require;
- (k) promptly comply with all statutes, statutory instruments, by-laws, orders, regulations, notices, permissions (including planning permissions) and directives which relate to the Charged Assets;
- (l) promptly comply with every duty and obligation binding on it in relation to the Charged Assets (and, if required by the Bank, use its best endeavours to procure due compliance by all other persons with any duty or obligation binding on them in relation to the Charged Assets);
- (m) permit the Bank or its designated representatives to have, on reasonable notice, access during normal office hours to its accounts and accounting records and any books and records relating to the Charged Assets, to inspect and take extracts from the same and make physical or electronic copies of such books and records;
- (n) promptly give the Bank written notice of, and keep the Bank indemnified against, all actions, proceedings, damages, penalties, charges, claims and demands (and notices threatening the same) which, directly or indirectly, arise out of or affect the Charged Assets and, if so required by the Bank, make or join in making any objections and/or representations required by the Bank;
- (o) indemnify the Bank and (as a separate covenant) any Receiver against all rents, rates, taxes, duties, charges, assessments and other outgoings (including any which are wholly novel) from time to time payable in respect of the Charged Assets;
- (p) carry on its business in a proper and efficient manner and not make any substantial alteration in the nature or conduct of that business;
- (q) keep each item of plant, machinery and other equipment subject to a fixed charge under this Debenture in substantially no worse repair, working order and condition than it is in at the date of this Debenture or (if later) on the date it becomes subject to this security (excepting fair wear and tear) and to maintain all records, log books and other documents that are required by law to be maintained and ensure all necessary inspections, maintenance, services and repairs are carried out in respect of any plant, machinery or other equipment and permit the Bank or its authorised representative(s) at any reasonable time to enter upon any land or premises to inspect the condition of any such plant, machinery, equipment and any relevant documentation;
- (r) affix to such items of the Charged Assets subject to a fixed charge under this Debenture or endorse or cause to be endorsed on such documents as the Bank shall in each case stipulate any label, sign or memorandum required by the Bank drawing attention to the security created by this Debenture; and
- (s) not do anything or cause or allow anything to be done which depreciates, jeopardises or otherwise prejudices the value of the Bank's security under this Debenture.

9. APPOINTMENT OF RECEIVER OR ADMINISTRATOR

9.1 Enforcement

At any time:

- (a) after the Bank has demanded payment or discharge of any of the Secured Obligations; or

9.3 Multiple Receivers

- (a) Where more than one Receiver is appointed they shall have power to act severally unless the Bank shall specify to the contrary in the appointment.
- (b) Any appointment of a Receiver over part only of the Charged Assets shall not preclude the Bank from making any subsequent appointment of a Receiver over any part of the Charged Assets over which an appointment has not previously been made by the Bank.

The Bank may from time to time determine the remuneration of the Receiver without being limited by the maximum rate specified in Section 109(6) of the 1925 Act.

In this clause "writing" includes facsimile (but not email) and "delivery" includes communication by such means.

10.2 Demands

A demand for payment or any other demand or notice under this Debenture may be made or given by any manager or officer of the Bank by letter addressed to the Chargor and served on the Chargor at an authorised address for service or by facsimile transmission to such facsimile transmission number (if any) as may from time to time be exhibited on the Chargor's notepaper or otherwise be notified in writing to the Bank.

10.3 Addressees

An authorised address for service shall be the registered office of the Chargor or the existing or last known place of business of the Chargor (or if more than one any one of such places).

10.4 Service on the Chargor

- (a) A notice or demand shall be deemed to be duly served on the Chargor:
 - (i) if delivered by hand, at the time of delivery at an authorised address for service;

- (ii) if sent by first class post addressed to the Chargor at an authorised address for service at that time, at 10.00am on the day after it was posted, notwithstanding it be misdelivered or returned undelivered;
 - (iii) if sent by airmail post, on the fifth Business Day from the date of posting; and
 - (iv) if given or made by facsimile transmission at the time of a completed transmission.
- (b) In proving such service it shall be sufficient to prove that personal delivery was made or that the envelope containing such demand or notice was correctly addressed and posted or that the facsimile transmission report confirmed a correct transmission.

10.5 Time of receipt

A communication received or deemed to have been received in accordance with this clause 10 on a day which is not a Business Day or after 5.00pm on any Business Day (according to the local time in the place of receipt) shall be deemed to have been received at 9.00am on the next Business Day (according to such local time).

10.6 Service on the Bank

Any notice to the Bank under this Debenture shall be in writing and shall only be deemed to be duly served if it is actually received by the Bank at the address of the Bank set out below its name at the end of this Debenture or such other address as the Bank may from time to time notify to the Chargor in writing for this purpose.

11. POWERS OF THE BANK

11.1 Power of Sale

Section 103 of the 1925 Act shall not apply to this security and the statutory power of sale and other powers conferred by Section 101 of the 1925 Act, as varied or extended by this Debenture, shall be exercisable at any time after demand has been made by the Bank for the payment or discharge of all or any of the Secured Obligations or a Receiver has been appointed.

11.2 Right to sever

The statutory power of sale exercisable by the Bank under this Debenture is extended so as to authorise the Bank to sever and sell any fixtures separately from property to which they may be attached.

11.3 Power of sale, leasing and accepting surrenders

The statutory powers of sale, leasing and accepting surrenders exercisable by the Bank under this Debenture are extended so as to authorise the Bank (whether in its own name or in that of the Chargor) to grant leases and accept surrenders of the Property with such rights relating to other parts thereof and containing such covenants on the part of the Chargor and generally on such terms and conditions (including the payment of monies to a lessee or tenant on a surrender and whether at a premium or otherwise) on such terms as the Bank shall think fit without the need to observe any of the provisions of Sections 99 and 100 of the 1925 Act.

11.4 Other powers

The Bank shall be entitled (without prejudice to any other rights or powers of a mortgagee) at any time it becomes entitled to exercise its power of sale to exercise any of the powers conferred upon a Receiver and referred to in clause 9.7 (*Powers of Receiver*).

11.5 Privileges and waivers

No delay or omission of the Bank in exercising any right, power or privilege in relation to this Debenture shall impair or operate as a waiver of that right, power or privilege. Any single or partial exercise of any right, power or privilege shall not preclude any other exercise by the Bank of that or any other right, power or privilege. The rights and remedies provided in this Debenture are cumulative and not exclusive of any rights or remedies provided by law.

11.6 Restriction on consolidation

The restriction on consolidating mortgages contained in Section 93 of the 1925 Act shall not apply to any security created pursuant to this Debenture.

11.7 Mortgagee in possession

No exercise by the Bank or any Receiver of any right, power or privilege in relation to this Debenture shall make the Bank or any Receiver liable as a mortgagee in possession of all or any part of the Charged Assets or (save where caused by gross negligence or wilful default) liable for any other loss or damage, including a loss upon the realisation of all or any part of the Charged Assets.

11.8 Power to remedy

If the Chargor defaults in performing any of its obligations under this Debenture (including any failure to effect any insurance), the Bank may and is authorised (but not obliged) to rectify that default at the Chargor's cost (but without prejudice to any other rights arising as a consequence of that default). The Chargor shall indemnify the Bank on demand against any cost, loss or liability incurred by the Bank as a result of any such default including, but not limited to, the cost of such rectification.

12. COSTS, CHARGES AND EXPENSES

The Chargor shall pay on demand all banking, legal, accountancy, valuation, insurance and other costs, charges, expenses and/or liabilities (together with applicable VAT) incurred by or on behalf of the Bank or any Receiver, in each case on a full indemnity basis, in connection with this Debenture, the Charged Assets and the enforcement by the Bank and/or a Receiver of its rights under this Debenture or in relation to the Secured Obligations, including amounts required by the Bank to compensate it for its internal management and administrative costs and expenses incurred in connection with such matters. To the extent unpaid any such amounts may be debited to any account of the Chargor with the Bank and shall bear interest accordingly.

13. CERTIFICATE OF AMOUNTS DUE AND PROTECTION OF THIRD PARTIES

13.1 Certificate of Amounts Due

A certificate signed by an officer of the Bank as to the amount of any obligation of the Chargor to the Bank (including any amount referred to in clause 12 (*Costs, charges and expenses*)) shall for all purposes be conclusive evidence against and binding on the Chargor.

13.2 Protection of Third Parties

No third party dealing with the Bank or any Receiver or its or his agents shall at any time be concerned to enquire whether demand has been made for the payment or discharge of the Secured Obligations or whether any power which the Bank or any Receiver purports to exercise has become exercisable or whether any of the Secured Obligations remain undischarged or to see to the application of any money paid to the Bank or any Receiver, nor shall any third party lending any money to a Receiver be concerned to enquire as to the propriety or purpose of such borrowing or as to the application of any money so borrowed.

14. CONTINUING SECURITY

14.1 Continuing security

The security created pursuant to this Debenture is created for the purpose of securing further advances and shall be a continuing security notwithstanding any settlement of account or other matter whatsoever. Such security is in addition to, independent of, and shall not merge in or otherwise prejudice or affect (or be prejudiced or affected by) and may be enforced without the Bank first having recourse to any other Encumbrance, right or remedy from time to time held by the Bank or available to it and shall not be prejudiced or affected by the Bank dealing with, exchanging, releasing, modifying or abstaining from perfecting or enforcing any such Encumbrance, right or remedy, or giving time for payment or indulgence or compounding with any other person liable for any of the Secured Obligations.

14.2 Separate accounts

If the Bank receives or is deemed to be affected by notice (whether actual or constructive) of any subsequent charge or interest affecting the Charged Assets, or of any other matter which may cause any security created pursuant to this Debenture to cease to be a continuing security the Bank may open a new account or accounts for the Chargor and any other person for whose liability this Debenture is available as security. If the Bank does not open a new account or accounts in such circumstances then, unless the Bank shall notify the Chargor to the contrary, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to receive such notice and as from that time all payments made by or on behalf of the Chargor or any such person shall be credited or deemed to have been credited to the new account(s) (as applicable) and shall not operate to reduce the amount for which this Debenture is security.

15. PARTIAL INVALIDITY

All the provisions of this Debenture are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

16. SET-OFF

16.1 Set-off rights

The Bank may at any time and without prior notice to the Chargor combine or consolidate all or any of the Chargor's accounts with and liabilities to the Bank and/or transfer all or any part of any balance standing to the credit of any such account and/or apply any monies received or otherwise held by the Bank to the credit or order of the Chargor in or towards satisfaction of the Secured Obligations, and any currency conversion shall be calculated at the spot rate of exchange of the Bank (as at the date of the conversion) for purchasing the currency for which the Chargor is liable with the currency being converted. The Bank shall notify the Chargor of any such combination, consolidation or transfer having been made.

16.2 No withdrawals

Without prejudice to the provisions of this Debenture relating to Collections Accounts, the Bank may by written notice to the Chargor specify that the Chargor shall not be entitled at any time during the continuance of this security to withdraw from any account maintained with the Bank any money standing to the credit of such account nor direct any payment to be made from such account to any person without the Bank's prior written consent (which may be given on such terms as the Bank considers fit).

17. INFORMATION AND INVESTIGATION

17.1 Information

The Chargor shall provide the Bank:

- (a) with details of any interest in freehold, leasehold or other immoveable property (including heritable property situate in Scotland) acquired by it, promptly after the acquisition; and
- (b) with such information concerning the Chargor's business, financial condition and affairs as the Bank may from time to time require.

17.2 Investigation

The Chargor by executing this Debenture irrevocably authorises the Bank to approach any person considering financing or providing finance to the Chargor and/or any professional advisers to the Chargor for information regarding the Chargor. The Chargor irrevocably authorises the disclosure to the Bank by third parties of such information as the Bank may require during the continuance of this security and the Chargor shall provide such further authority in this regard as the Bank may from time to time require.

17.3 Business review

The Chargor shall, if so required by the Bank and at its own cost, appoint a firm of accountants nominated by the Bank to investigate the affairs of the Chargor and/or any subsidiary undertaking (as defined by the Companies Act 2006) of the Chargor and report to the Bank its findings. The Chargor shall procure that full co-operation is provided to such accountants (and any other persons assisting or advising the accountants in that regard) in preparing their report and shall reimburse the Bank on demand with any amount paid by the Bank on behalf of the Chargor in connection with that report and, in default of reimbursement, the Chargor irrevocably authorises the Bank to debit such of the Chargor's accounts held with the Bank which the Bank deems appropriate in respect of such amount.

18. POWER OF ATTORNEY

18.1 Power of attorney

The Chargor, by way of security and in order more fully to secure the performance of the Chargor's obligations under this Debenture, irrevocably appoints each of the Bank, the persons deriving title under it and any person nominated in writing under the hand of any officer of the Bank, and separately any Receiver, to be its attorney (with full power of substitution and delegation) for and on behalf of the Chargor and, as the act and deed or otherwise of the Chargor, to execute as a deed or under hand (as applicable) and deliver any deed, document, agreement or instrument and do all such assurances, acts and things which the Chargor may be required to execute or do under this Debenture and generally in its name and on its behalf to exercise any right, power or privilege in connection with this Debenture or which may be required or which the Bank or any Receiver shall deem fit for carrying out any sale, lease, charge, disposal or other act or for giving the Bank or any Receiver the full benefit of this Debenture and generally to use the name of the Chargor and to do any other thing which it or he may reasonably deem proper in or for the purpose of exercising any of such powers, authorities and discretions.

18.2 Ratification

The Chargor covenants with the Bank and separately with any Receiver that, on request, it will ratify and confirm all acts carried out by the Bank or any Receiver (or by the Chargor at the instance of the Bank or any Receiver) in the exercise or purported exercise of its or his powers.

18.3 Power to delegate

The Bank or any Receiver may at any time delegate by power of attorney or otherwise to any person or persons all or any of the rights, powers and privileges (including those exercisable by it or him under clause 11.8 (*Power to remedy*)) which are at that time exercisable by the Bank or any Receiver under this Debenture. Any such delegation may be made upon such terms (including power to sub-delegate) and subject to such requirements as the Bank or that Receiver may think fit.

19. APPLICATION OF PROCEEDS

19.1 Application

Any Receiver shall (so far as the law allows) apply all money received by him after the discharge of all prior ranking claims and all costs, charges and expenses of and incidental to his appointment and the exercise of all or any of his powers and all outgoings paid by him and liabilities incurred by him and the payment of his remuneration in or towards the payment and discharge of the Secured Obligations in such order as the Bank may in its absolute and unfettered discretion from time to time require and any surplus shall be paid to the Chargor or other person entitled to it.

19.2 Suspense Account

The Bank shall be at liberty to place and keep (for such time as it shall think fit) any money received, recovered or realised under or by virtue of this Debenture in a separate impersonal or suspense account (to the credit of either the Chargor or the Bank as the Bank shall think fit) without any obligation to apply it in or towards the payment and discharge of the Secured Obligations.

20. CERTIFICATE OF NON-CONTRAVENTION

The Chargor certifies that this Debenture both in respect of freehold and leasehold property of which the Chargor is registered at the Land Registry as proprietor and otherwise does not contravene any of the provisions of the Chargor's memorandum and articles of association or other rules or constitutional documents as the case may be.

21. PAYMENT AND DISCHARGE

Any settlement or discharge between the Bank and the Chargor under this Debenture shall be conditional upon no security or payment to the Bank by the Chargor or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any law relating to bankruptcy, insolvency, administration or liquidation and if such condition is not satisfied the Bank shall be entitled to recover from the Chargor on demand the value of such security or the amount of any such payment as if such settlement or discharge had not occurred.

22. CHANGES TO THE PARTIES

22.1 Chargor

The Chargor may not assign any of its rights or obligations under this Debenture.

22.2 Bank

The Bank may assign or transfer all or any part of its rights under this Debenture. The Chargor shall, immediately upon being requested to do so by the Bank, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

23. THIRD PARTY RIGHTS

A person who is not a party to this Debenture shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Debenture. This clause does not affect any right or remedy of any person which exists or is available other than pursuant to that Act.

24. GOVERNING LAW AND JURISDICTION

24.1 Governing law

This Debenture shall be governed by and construed in accordance with English law.

24.2 Jurisdiction

In the event of any claim, dispute or difference arising out of or in connection with this Debenture the Chargor irrevocably agrees and submits, for the exclusive benefit of the Bank, to the exclusive jurisdiction of the courts of England and Wales provided that nothing contained in this clause 24.2 shall be taken to have limited the right of the Bank to proceed in the courts of any other competent jurisdiction.

IN WITNESS WHEREOF this Debenture has been duly executed by the Chargor as a deed and signed for and on behalf of the Bank and shall take effect as a deed on the first date specified on page 1 of this Debenture.
