Directors' Report for the year ended 31 December 2016

The directors present their report together with the audited financial statements for the year ended 31 December 2016.

Principal activities, trading review and future developments

The company offers a range of high quality facial skin care and cosmetics products through its sales force of independent beauty consultants in the United Kingdom.

Turnover has decreased by 6% compared to prior year. The company's emphasis has been on increasing the independent sales force count and their related productivity rather than the main focus being purely product-driven. To support continued growth in sales force count and productivity, the company is focusing on brand awareness, education activities for sales force and customer servicing.

The directors are satisfied with the trading performance in the year, taking account of the economic conditions that continue to impact the company performance.

Results

The statement of comprehensive income is set out on page 5 and shows the loss for the year. The company made a loss after taxation of £3,018,465 (2015 - £1,695,733 loss) and this amount has been deducted from reserves.

Directors

The directors of the company during the year and up to the date of signing of the financial statements were:

T Eustace

N Moore

C Steingruber

Going concern

Mary Kay Inc. has confirmed that it is their present intention to continue to support the company financially for at least 12 months from the date of signing these financial statements. On this basis, the directors confirm that they have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future and they have adopted the going concern basis in preparing the financial statements.

Financial risk management

The company is a wholly owned subsidiary of Mary Kay Inc. and sources its product from fellow group undertakings. The company and its financial risks (including interest rate and currency risks) are managed as part of the overall Mary Kay Inc. group activities. The company seeks to minimise risks where appropriate, where not covered by group policy.

Directors Indemnities

As permitted by the Articles of Association, the directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The company also purchased and maintained throughout the financial year Directors' and Officers' liability insurance in respect of itself and its directors.

Directors' Report for the year ended 31 December 2016 (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the Report of the directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors

Each of the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

In accordance with s485 of the Companies Act 2006, a resolution is to be proposed at the Annual General Meeting for reappointment of Ernst & Young LLP as auditor of the Company.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and the company is therefore exempt from the requirement to prepare a Strategic Report.

On behalf of the Board

irola Sue St

C Steingruber **Director**

Date:

Independent auditors' report to the members of Mary Kay Cosmetics (UK) Limited

Independent auditor's report

We have audited the financial statements of Mary Kay Cosmetics (UK) Limited for the year ended 31 December 2016 which comprise the Statement of Comprehensive Income, the Statement of Changes in Equity, the Statement of Financial Position, the Statement cash flows and the related notes 1 to 20. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). These standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit/(loss) for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Directors' Report have been prepared in accordance with applicable legal requirements.

Independent auditors' report to the members of Mary Kay Cosmetics (UK) Limited (continued)

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small
 companies regime and take the advantage of the small companies' exemptions in not preparing the
 Strategic Report and take advantage of the small companies' exemption in preparing the Directors'
 Report.

Gordon Cullen Senior Statutory Auditor For and on behalf of Ernst & Young LLP, Statutory Auditor London, United Kingdom

Notes forming part of the financial statements for the year ended 31 December 2016

1 Accounting policies

1.1 Authorisation of financial statements and statement of compliance

Mary Kay Cosmetic (UK) Limited is a limited liability company incorporated and domiciled in England and Wales. These financial statements were prepared in accordance with Financial Reporting Standard (FRS 102) applicable in the UK and Republic of Ireland as it applies to the financial statements of the company for the year ended 31 December 2016. The financial statements are prepared under the historical cost convention and are presented in GBP.

The financial statements of Mary Kay Cosmetic (UK) Limited for the year ended 31 December 2016 were authorised for issue by the board of directors on ______ 2017 and the balance sheet was signed on the board's behalf by C Steingruber.

1.2 Basis of preparation

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 December 2016.

1.3 Going concern

Mary Kay Inc. has confirmed that it is their present intention to continue to support the company financially for at least 12 months from the date of signing these financial statements and have provided a letter of support reflecting this. On this basis, the directors confirm that they have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future and they have adopted the going concern basis in preparing the financial statements.

1.4 Turnover

Revenue represents sales within the UK to independent beauty consultants, exclusive of VAT. Revenue is recognised on receipt of goods by the customer, after payment has been taken at which point the risks and rewards are transferred to the customer.

Notes forming part of the financial statements for the year ended 31 December 2016

1 Accounting policies (continued)

1.5 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Such cost includes costs directly attributable to making the asset capable of operating as intended. Depreciation is provided on all property, plant and equipment, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Short leasehold improvements

Life of lease

Fixtures, fittings and equipment

25% of cost per annum

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

1.6 Intangible assets

Intangible assets are stated at cost less accumulated amortisation and accumulated impairment. Intangible assets are amortised on a straight line basis over their estimated useful lives. The carrying value of intangible assets is reviewed for impairment if events or changes in circumstances indicate the carrying value may not be recoverable.

The useful economic lives of intangible assets are as follows:

Licenses

20% of cost per annum

If there are indicators that the residual value or useful life of an intangible asset has changed since the most recent annual reporting period previous estimates shall be reviewed and, if current expectations differ the residual value, amortisation method or useful life shall be amended. Changes in the expected useful life or the expected pattern of consumption of benefit shall be accounted for as a change in accounting estimate.

1.7 Inventories

Inventories are measured at the lower of cost and net realisable value. Cost is based on the cost of purchase on a first in, first out basis. A provision for damaged, excess and obsolete inventories is calculated based on an annual review of inventories.

1.8 Taxation

The charge for taxation is based on the profit for the year and takes into account deferred taxation.

Current tax is measured at amounts expected to be paid using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements, except that:

unrelieved tax losses and other deferred tax assets are recognised only to the extent that the directors consider that it probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to continue.

Notes forming part of the financial statements for the year ended 31 December 2016

1 Accounting policies (continued)

1.9 Impairment of non-financial assets

The Company assesses at each reporting date whether an asset may be impaired. If any such indication exists the Company estimates recoverable amount of the asset. If it is not possible to estimate the recoverable amount of the individual asset, the Company estimates, the recoverable amount of the cash generating unit to which the asset belongs. The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to sell and its value in use. If the recoverable amount is less than its carrying amount, the carrying amount of the asset is impaired and it is reduced to its recoverable amount through an impairment in profit and loss unless the asset is carried at a revalued amount where the impairment loss of a revalued asset is a revaluation decrease.

An impairment loss recognised for all assets, including goodwill, is reversed in a subsequent period if and only if the reasons for the impairment loss have ceased to apply

1.10 Judgement and key resources if estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Dilapidation provision and provision for sales returns

1.11 Financial instruments

Cash

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income statement in other operating expenses.

The carrying value of all financial assets are measured at fair value. The carrying value of financial liabilities are measured at amortised cost.

1.12 Operating lease costs

Operating lease rentals are charged to the profit and loss account in the period to which they relate.

Reverse premiums and similar incentives received to enter in to operating lease agreements are released to the profit and loss account over the period to the date on which the rent is first expected to be adjusted to the prevailing market rate.

Notes forming part of the financial statements for the year ended 31 December 2016 (continued)

1 Accounting policies (continued)

1.13 Pension costs

The company operates a money purchase pension scheme for employees. Company contributions are charged to the profit and loss account in the period to which they relate.

1.14 Provision for Dilapidations

Where leases include a clause relating to dilapidation work which must be undertaken before a property is vacated, a provision is made for the estimated costs of the dilapidation repairs, based on the current condition of the property.

1.15 Provision for Sales Returns

Where Sales Returns consist of returns of previously sold products in exchange for cash, a provision is made for the estimated recording of liability for future sales returns.

1.16 Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the end of the financial period except for fixed assets and stocks which are translated at the rates of exchange ruling when the assets were acquired. All exchange gains and losses are credited or charged to the profit and loss account.

2 Turnover

Turnover, loss before tax and net liabilities are attributable to operations which geographically originate in the United Kingdom.

3 Employees

	2016 £	2015 £
Staff costs consist of:	~	~
Wages and salaries	1,136,634	1,209,609
Social security costs	124,615	139,788
Other pension costs	22,017	25,686
	1,283,266	1,375,083
	1,203,200	1,070,000
	e 	

The average number of employees during the year (including directors) was 29 (2015 - 30). All employees are involved in management and administrative activities.

4 Directors

No directors were paid through the company in the year (2015 - none).

None of the directors have retirement benefits accruing under money purchase pension schemes (2015 - none).
