Notes to the Financial Statements

1 Accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been consistently applied, is set out below.

Basis of preparation

The financial statements are prepared in accordance with the historical cost convention.

Consolidation

The group accounts consolidate the accounts of the company and its subsidiary, Soros Private Equity Partners Limited.

Fixed asset investments

Fixed asset investments are recognised at cost unless there has been a permanent impairment in which case such investments are recognised at the lower of cost and net realisable value.

Depreciation

Depreciation of tangible fixed assets is calculated to write off their cost or valuation over their expected useful lives in equal annual instalments as follows:

Furniture and fittings, office equipment	over 7 years
Cars, computer hardware, telephones	over 5 years
Computer software, leasehold improvements	over 3 years
Leasehold improvements	term of lease

Foreign currencies

Transactions denominated in currencies other than sterling are translated into sterling using the relevant closing mid market rate of exchange for the month in which the transaction was executed. Monetary assets and liabilities denominated in currencies other than sterling are translated into sterling using the relevant closing mid market rate of exchange. Where appropriate the rate of exchange under the terms of any related or matching forward contract is used. All exchange gains or losses are reported as part of the profit or loss for the year from ordinary activities.
