Dear Sirs,

Term Cost Plan Agreement No: FMP-03-05R4 dated August 2003 (as amended and supplemented from time to time) between Pratt & Whitney Canada Customer Service Centre Europe GmbH (the "Engine Maintenance Provider") and Flybe Limited ("Flybe") (the "Term Cost Plan") to the extent that it relates to the D-8-400 aircraft with manufacturer's serial number 4126 and engine serial number(s) PCE-FA0297 and PCE-FA0292 (the "Engines")

We refer to the Term Cost Plan in respect of engine maintenance services for two P&WC PW150A engines with manufacturer's serial numbers PCE-FA0297 and PCE-FA0292 and any replacement engine (the "**Engines**") pursuant to the lease agreement dated on or about 26 January 2006 and entered into between GOAL Verwaltungsgesellschaft mbH & Co Projekt Nr 21 KG, as original lessor (the "**Original Lessor**"), and Flybe, as lessee, as novated from the Original Lessor to NAC Aviation 19 Limited (the "**Assignee**") pursuant to an aircraft lease novation and amendment agreement dated on or about the date hereof (the "**Lease**")

We hereby give you notice that by an assignment dated on or about the date of this notice made between Flybe and the Assignee (the "**Assignment Agreement**") Flybe has assigned by way of security to the Assignee with full title guarantee all of its rights and interest, present and future, actual and contingent, in and to the Term Cost Plan for certain engine maintenance services to be provided only to the extent applicable to the Engines (the "**Assigned Property**")

Under the terms of the Assignment Agreement, the parties thereto have agreed that legal and beneficial title to the warranties in existence at the Lease expiry Date ("**Expiry Date**") in relation to services rendered under the Term Cost Plan prior to the Expiry Date with respect to the Engines shall, with effect from the Expiry Date, vest absolutely in the Assignee and that the security assignment effected pursuant to the Assignment Agreement shall accordingly, with effect from the Expiry Date and with respect to the Warranty Rights, automatically and without further act convert to an absolute assignment in favour of the Assignee unless title to the Aircraft is transferred by the Assignee to Flybe

Flybe irrevocably instructs and authorises you from time to time and at any time without reference to or further authority from us and without any enquiry by you as to the justification for any such matter

- (a) to disclose to the Assignee such information relating to the Assigned Property, including without limitation the payments situation and any default (including payment default) by Flybe in relation to the performance of its obligations under the Term Cost Plan, as the Assignee may request you to disclose to it, and
- (b) upon written notice from the Assignee, but subject to the terms and conditions of the Acknowledgement, to perform all of your obligations in relation to the Assigned Property in favour of the Assignee

Flybe has (inter alia) covenanted with the Assignee not to agree to any variation, modification or amendment in the terms of the Term Cost Plan that would materially impact the assignment by way of security to the Assignee all of the rights and interest in the Assigned Property without the Assignee's consent, which shall not be unreasonably withheld or delayed, and which shall be provided at no cost

Flybe represents and warrants that the Assigned Property is no longer subject to any previous assignments or rights granted to any third party to which you provided any form of acknowledgement or consent, and that any such assignments or rights have been reassigned to Flybe and are no longer in existence

The instructions and authorities contained in this Notice cannot be revoked or varied by us without the prior written consent of the Assignee

This Notice is governed by and construed in accordance with English law
