Statement of Trustees' responsibilities

The trustees are responsible for preparing the report of the trustees and the financial statements in accordance with applicable law and regulations

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the period.

In preparing those financial statements, the trustees are required to -

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees have overall responsibility for ensuring that the charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Structure, Governance and Management

It is registered as a Charity with the Charity Commission. Anyone over the age of 18 can become a member of the company and there are currently 5 members.

Appointment of Trustees

The Directors, who are the trustees, are appointed by the members in the general meeting and are collectively known as the Board. At each AGM, one third of the Directors retire by rotation, the longest in office are eligible for re-election. Other than a retiring trustee, the only people eligible for election as trustees are those either nominated by the Board or member giving not less than 5 and not more than 21 days written notice of a nomination. The Board has the power to co-opt trustees, but such people only hold office until the AGM, do not count in determining those retiring by rotation, but are eligible for election if nominated in accordance with the normal rules.

The trustees who served during the year, together with any changes up to the date of approving this report are listed on page 1.

Trustee Induction and Training

New trustees undergo an orientation day to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Organisation structure and decision making

The Management Committee are in overall control of the Company and the individual activities are monitored by various sub committees. All the committees meet on a regular basis between 4 and 8 weeks. The day to day management is undertaken by paid employees who report to the various committees (steering groups) in which trustees are involved. Lead members of staff report back to the trustees.

1 ACCOUNTING POLICIES (Continued)

Fund accounting

Separate asset accounts are not maintained to represent each fund if a better return is obtained by consolidating the assets. However, there should always be sufficient net assets to represent the total funds and the assets should be readily accessible dependant on the fund involved. The directors intend that where a surplus is generated on unrestricted funds in any year, subject to any designation of the funds, the surplus should increase the general reserves which are available to fund the charity's future requirements should future funding not be available.

Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred.

Pensions

Company contributions in respect of personal defined contribution pension schemes are charged to the profit and loss account for the year in which they are payable to the scheme.

EDI, ALPS and other activity programmes provide day time opportunities for young people with learning disabilities including education, training, leisure and social inclusive opportunities. Funding has been provided by Rochdale M B C through both funding and service agreements.

The voluntary service provided volunteering opportunities for people with learning disabilities and provided opportunities for those wishing to volunteer within disability services including 2's company and 1 to 1 friendship service. The service has currently been suspended due to a lack of specific funding.

The Inclusion Project has been set up as a result of research into the needs of people with learning disabilities and their families within the South Asian Community. The service continues to research and develop projects, which to date include Aashiyana Carers Group, Muskaan (formerly Single Sex Service) and the Information Service. Funding for these projects comes from grants via Supporting People, the Learning Disabilities Partnership Board, European Union (through the Carers Resource) and Carers Special Grant.

Muskaan is a pilot project set up in response to the need for a culturally sensitive, secure gender respite care service for adult women from South Asian communities funded by Rochdale Metropolitan Borough Council via a carers grant.

Aashiyana Asian Carers Group is a support group for Asian carers of people with disabilities which meets once a month to exchange information, involving carers in activities and offer training. The group is funded by the Carers Resource Centre (E R D F) funding.

ROPE is an urban based outdoor activity service. Qualified and experienced individuals are employed to develop the service and offer opportunities for people with learning disabilities, for example climbing, abseiling, walking, sports sessions etc.

The Saturday project is a joint undertaking with Rochdale and Oldham Crossroads to provide weekend respite care for the full-time carers of children with learning disabilities. Funding is provided by Rochdale Metropolitan Borough Council, carers grant.
