# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2017

### 1. STATUTORY INFORMATION

Outlook Window Systems Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

# 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

# Significant judgements and estimates

The preparation of financial statements requires the use of estimates and assumptions that affect reported amounts of assets and liabilities during the reporting period. These estimates and assumptions are based on management's best knowledge of the amount, event or actions. Actual results may differ from those amounts.

# Revenue recognition

Revenue represents the fair value of goods and services supplied, excluding value added tax.

Revenue is recognised when the goods are supplied to customers or fitted such that the risks and rewards of ownership have transferred to them.

### Tangible fixed assets

Tangible fixed assets are included at cost less depreciation and impairment.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives on a reducing balance basis as follows:

Plant and machinery 25% Motor vehicles 25%

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate.

# **Stocks**

Stocks are valued at the lower of cost and estimated selling price less costs to sell, after making due allowance for obsolete and slow moving items. Cost includes direct costs only.

# Financial instruments

Financial instruments are recognised in line with Sections 11 and 12 of FRS 102.

Basic financial instruments, such as bank and cash, loans, trade receivables and payables are initially recognised at transaction price and subsequently at amortised cost.

# **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

# NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 JULY 2017

# 2. ACCOUNTING POLICIES - continued

#### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

# Hire purchase and leasing commitments

Property, plant and equipment acquired under finance leases or hire purchase contracts are capitalised and depreciated in the same manner as other tangible fixed assets. The related obligations, net of future finance charges are included in creditors.

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
