Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

Directors' Report for the Year Ended 31 March 2015

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements for the Year Ended 31 March 2015

1 Accounting policies

Basis of preparation

The financial statements are prepared on a going concern basis under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principle accounting policies, which have been applied consistently throughout the year are set out below.

Cash flow and related party disclosures

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement. The company is also exempt under the terms of FRS 8 from disclosing related party transactions with entities that are part of the Birmingham Airport Holdings group.

Going concern

These accounts have been prepared on the going concern concept as the directors believe that continuing finance will be available from the parent undertaking for the company to meet its liabilities as they fall due and to continue without immediate realisation of its assets

Turnover

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties and other group companies for the company's sole continuing activity, the development, management and renting of property Property rentals are recognised on a straight line basis over the life of the lease. The turnover is derived entirely in the United Kingdom

Tangible fixed assets and depreciation

Freehold land and buildings are held as investment properties and are accounted for in accordance with SSAP 19 Consequently their open market value is reviewed internally on an annual basis, with external valuations every five years performed by an appropriately qualified valuer Depreciation has not been provided on fixed assets

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated at the balance sheet date but not reversed except for the following

- a) Deferred tax assets are only recognised where, on the basis of all available evidence, it is more likely than not that there will be suitable taxable profits from which they can be recovered
- b) In respect of fixed asset revaluations, deferred tax is not provided unless there is a binding agreement to sell the asset at the balance sheet date. However, no provision is made if any gain is to be rolled over into replacement assets.

The company has elected not to discount the deferred tax assets and liabilities. Deferred tax is measured at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Work in progress

Work in progress relates to development land and is stated at lower of cost or net realisable value

Taxation (continued)

Factors affecting current tax charge for the year

Tax on profit on ordinary activities for the year is lower than (2014 - higher than) the standard rate of corporation tax in the UK of 21% (2014 - 23%)

The differences are reconciled below

	2015 £	2014 £
Profit on ordinary activities before taxation	13,965	2,962
Corporation tax at standard rate	2,933	681
Depreciation in excess of capital allowances	(90)	(642)
Other timing differences	-	5,060
Permanent differences	-	17,408
Adjustment in respect of prior year	(14,033)	(951)
Total current tax	(11,190)	21,556

Factors that may affect future tax charges

The standard rate of corporation tax in the UK reduced from 23% to 21% with effect from 1 April 2014 Accordingly the company's profits for this accounting period are taxed at a rate of 21%. Finance Act 2013 also included legislation to reduce the main rate of corporation tax to 20% from 1 April 2015, which was substantively enacted on 2 July 2013, and in accordance with accounting standards have been reflected in the company's financial statements.
