- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed in the financial statements

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. ## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF PILLAR (DARTFORD) LIMITED**

We have audited the financial statements on pages 3 to 6.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

The directors are responsible for preparing the directors' report and, as described on page 1, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

### **Basis of audit opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2005 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

#### 1. ACCOUNTING POLICIES

Accounting Convention	The financial statements have been prepared under the historical cost accounting rules and in accordance with applicable accounting standards and with the Companies Act 1985.
Accounting Basis	The accounts have been prepared on a going concern basis which is dependent on the continued financial support of the ultimate parent company. Deferred Taxation	Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.
Cash flow statement	Under FRS 1, the company is exempt from the requirement to prepare a cash flow statement on the grounds that, during the year, it was a wholly owned subsidiary undertaking and the parent company, British Land Fund Management Limited (formerly Pillar Property PLC) which is incorporated in Great Britain, prepares a cash flow statement.
Related party transactions	As the company was a wholly owned subsidiary of British Land Fund Management Limited (formerly Pillar Property PLC) during the year, the company has taken advantage of the exemption contained in FRS 8 and therefore has not disclosed transactions or balances with entities which form part of the group.
