1. Accounting policies

Basis of measurement and preparation of accounts

These accounts have been prepared under the historical cost convention, modified to include the revaluation of certain assets, and on a going concern basis.

Turnover policy

Turnover represents the net rents received and receivable during the year.

Tangible fixed assets depreciation policy

All fixed assets are initially recorded at cost. No depreciation is provided on Investment Properties, which are held for investment and rental income purposes and not for occupation by the company and so the current value is of prime importance.
