GENERATION SYSTEMS LIMITED

Notes to the Financial Statements

for the Period Ended 31 March 2020

1. Accounting policies

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Tangible fixed assets and depreciation policy

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life. Computer & Office Equipment - 25% on written down value

Valuation and information policy

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Other accounting policies

Debtors and Creditors Receivable/Payable Within One Year: Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in administrative expenses. Taxation: Taxation represents the sum of tax currently payable and deferred tax. Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the Company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws. Debtors: Known bad debts are written off and provision is made for any considered to be doubtful. Leased Assets: Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred. Maintenance Income: Maintenance income, included within turnover, is recognised equally over the period of the maintenance contracts provided by Generation Systems Limited for software support and upgrades. Foreign Currencies: Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.
