## **NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2010**

---

### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements have been prepared on a going concern basis. The company has obtained undertakings from its parent undertaking that it will continue to support the company for the foreseeable future and meet all third party liabilities as they fall due. Given this undertaking, the directors consider it appropriate to adopt a going concern basis in preparing the financial statements.

#### **1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### **1.3 Investments**

Fixed asset investments are stated at cost less provision for diminution in value.

#### **1.4 Foreign currency translation**

Monetary assets and liabilities denominated in foreign currencies are translated into Swiss Francs at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

#### **1.5 Group accounts**

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 398 of the Companies Act 2006 not to prepare group accounts.
