Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors have

- selected suitable accounting policies and applied them consistently,
- made judgements and estimates that are reasonable and prudent,
- followed applicable United Kingdom accounting standards, and
- * prepared the financial statements on the going concern basis

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps of the prevention and detection of fraud and other irregularities.

The directors are responsible for ensuring that the directors' reports and other information included in the Annual Report is prepared in accordance with company law in the United Kingdom

Independent auditors' report to the Members of Askham Bryan College Company Limited

We have audited the financial statements on pages 4 to 10. These financial statements have been prepared in accordance with the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

The directors responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

In addition, we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the directors report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities, of the state of affairs of the company as at 31 July 2006 and of its loss for the year then ended,

the financial statements have been properly prepared in accordance with the Companies Act 1985, and the information given in the directors' report is consistent with the financial statements

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation

The accounts are prepared in accordance with the Financial Reporting Standard for Smaller Entities (2005) under the historical cost convention

Under Financial Reporting Standard 1 (revised 1996) the company is exempt from the requirement to prepare a cash flow statement on the grounds that the parent undertaking includes the company in its own published consolidated financial statements

Fixed assets and depreciation

Depreciation is provided by the Company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Plant and Machinery Computer equipment

8 - 10 years 3 years

Leases

All leases are accounted for as "operating leases" and the rental charges are charged to the profit and loss account on a straight line basis over the life of the lease

Stocks

Livestock, crops, fertilisers and sundry stock are valued as at the end of the financial year by Messrs. Tomlinsons based on total input costs plus maturity value.

Taxation

The charge for taxation is based on the loo for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers during the year

Gift Aid

Provision is made in the accounts for gift aid which is intended to be paid to the parent organisation, Askham Bryan College, out of the surplus of the current year
