Notes to the Abbreviated Financial Statements for the year ended 31 January 1998

1. Accounting Policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities and on a going concern basis which is dependent upon the continued financial support of the company's creditors and directors and include the results of the company's operations as indicated in the director's report, all of which are continuing.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cashflow statement on the grounds that it is a small company.

1.2 Turnover

Turnover represents amounts receivable for goods and services provided in the UK net of VAT and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	-	25% reducing balance
-------------------------------------	---	----------------------

1.4 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.5 Stock

Stock is valued at the lower of cost and net realisable value.

1.6 Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the director considers that a liability to taxation is unlikely to crystallise.
