Report Dated: 23 October 2014

TO ALL KNOWN CREDITORS AND MEMBERS

23 October 2014

Dear Sirs

Blue Flag Limited – In Liquidation ("The Company")
Liquidator's Annual Progress Report to Creditors and Members
Registered Office: c/o MPH Recovery, City Mills, Peel Street, Morley, Leeds, LS27 8QL

Company Number: 02817155

I present the annual and fourth progress report, detailing the conduct of the liquidation for the period from 23 August 2013 to 22 August 2014, pursuant to Section 104A of the Insolvency Act 1986 This should be read in conjunction with all previous reports

Introduction

In accordance with the provisions of Section 98 of the Insolvency Act, 1986, statutory meetings of shareholders and creditors were duly held on 18 August 2011 Alexandra Joanne Whyte, a director, acted as chairman for the purposes of the meetings

A report was presented together with a summary of the statement of affairs signed as a statement of truth by the director on 23 August 2010 At the meeting of shareholders, a resolution was passed for the voluntary winding-up of the Company and for the appointment of myself and G D Rusling of the P&A Partnership as Joint Liquidators. At a subsequent meeting of the Company's creditors, the shareholders' resolution was confirmed. A liquidation committee was not formed

Receipts and Payments

A summary of receipts and payments for the period of this report is attached at Appendix I. This shows a balance in hand of £21,383.50. The contents therein are self-explanatory. In accordance with the provisions of Statement of Insolvency Practice 7, the receipts and payments are shown net of VAT. The funds are held in an interest bearing current account at Svenska Handelsbanken AB.

Assets Specifically Pledged

The Directors stated that there were no assets specifically pledged. No such assets have been brought to the Joint Liquidators' attention

Assets Not Specifically Pledged

The director's Estimated Statement of Affairs indicated that stock, was estimated to realise £3,250 Following an inspection by my agents it was ascertained that the stock was made up of surplus items from completed contracts and many items were deemed unsalable. Accordingly the stock was abandoned due to the cost involved in attempting to move and sell individual items.

The director's Estimated Statement of Affairs indicated book debts, were estimated to realise approximately £105,290 after providing for bad and doubtful debts. Realisations have been £31,993 40 in this respect. Candor Law LLP have attempted to pursue these remaining debts, however, due to the paucity of source records and low individual debt amounts, the costs of recovery action would outweigh potential realisations. Future realisations in this regard are unlikely

The director's Estimated Statement of Affairs also indicated that cash at bank would realise £788 However after closing charges and interest there have been no realisations from this source

Gross bank interest of £78 93 has been received to date

Preferential Creditors

The director stated that there were preferential creditors in respect of potential employees' claims totalling £48,800. Total preferential creditor claims received to date are £15,090.05

Floating Charge Creditors

'The director stated that there were no floating charge creditors. No claims have been received to date from floating charge creditors

Prescribed Part

Section 176A(9) of the Insolvency Act 1986, as amended, regarding the prescribed part does not apply in this matter as there are no creditors with the benefit of security created after the prescribed date of 15 September 2003

Non - Preferential Creditors
